Late one night Fiona and Jack after a long day in the sun were sound asleep when they were suddenly awakened by wild frightening almost bloodcurdling screams Although Fiona is much braver than Jack she on this occasion was very much alarmed while Jack was very calm He had heard those screams before They were made by a barred owl also frequently referred to as a hoot owl The owl seemed to scream these words Whooooooooo coooooooks for youuuuuuu Whooooooooo coooooooks for youuuuuuu According to an old wives tale common to the South Carolina coastal area this owl arrives screaming in the neighborhood on the night when someone has just been murdered in the vicinity The fact that on one particular night the owl arrives screaming its best when no one seems to have been murdered nearby provides a very important clue that helps our investigators identify the killer *The Greatest Cult Television Shows of All Time* Christopher J. Olson, Carrie Lynn D.

Reinhard, 2020-05-29 Reaching back to the beginnings of television *The Greatest Cult Television Shows* offers readers a fun and accessible look at the 100 most significant cult television series of all time compiled in a single resource that includes valuable information on the shows and their creators While they generally lack mainstream appeal cult television shows develop devout followings over time and exert some sort of impact on a given community society culture or even media industry Cult television shows have been around since at least the 1960s with *Star Trek* perhaps the most famous of that era However the rise of cable contributed to the rise of cult television throughout the 1980s and 1990s and now with the plethora of streaming options available more shows can be added to this categorization Reaching back to the beginnings of television the book includes such groundbreaking series as *The Twilight Zone* and *The Prisoner* alongside more contemporary examples like *Crazy Ex Girlfriend* and *Hannibal* The authors provide production history for each series and discuss their relevance to global pop culture To provide a more global approach to the topic the authors also consider several non American cult TV series including British Canadian and Japanese shows Thus Monty Python's *Flying Circus* appears alongside *Sailor Moon* and *Degrassi Junior High* Additionally to move beyond the conception of cult as a primarily white heteronormative fanboy obsession the book contains shows that speak to a variety of cult audiences and experiences such as *Queer as Folk* and *Charmed* With detailed arguments for why these shows deserve to be considered the greatest of all time Olson and Reinhard provide ideas for discussion and debate on cult television Each entry in this book demonstrates the importance of the 100 shows chosen for inclusion and highlights how they offer insight into the period and the cults that formed around them
