the man she should spend her life with Girlfriends and Postfeminist Sisterhood A. Winch, 2013-11-06 From Mean Girl to BFF Girlfriends and Postfeminist Sisterhood explores female sociality in postfeminist popular culture Focusing on a range of media forms Alison Winch reveals how women are increasingly encouraged to strategically bond by controlling each other's body image through the girlfriend gaze **Digesting Femininities** Natalie Jovanovski, 2017-07-18 This volume addresses how the rhetoric of feminist empowerment has been combined with mainstream representations of food thus creating a cultural consciousness around food and eating that is unmistakably pathological Throughout Natalie Jovanovski discusses key texts written by women for women best selling diet books popular cookbooks produced by female food celebrities and iconic feminist self help texts This is the first book to engage in a feminist analysis of body policing food trends that focus specifically on the use of feminist rhetoric as a harmful aspect of food culture There is a smorgasbord of seemingly diverse gender roles for women to choose from but many encourage breaking gender norms and embracing a love of food while perpetuating old narratives of guilt and restraint Digesting Femininities problematizes the gendering of food and eating and challenges the reader to imagine what a genderless and emancipatory food culture would look like **A Life in Balance** Meg Wolff, 2010-12-16 The first title in Down East Books Best Maine Food series this inspirational cookbook proves that good food fosters good health When conventional medical treatments couldn't stop Meg Wolff's breast cancer in 1998 doctors told her to prepare her soul Instead she began a diet based on whole grains vegetables and beans and started getting better Now vibrantly healthy Meg is living proof that changing your diet can indeed save your life This cookbook is full of Meg's easy delicious recipes and information to help inspire readers to eat better and live better Contains recipes from a variety of contributors including NBA great John Salley and Dr Neal Barnard head of the Physicians for Responsible Medicine *Girl on Girl* Sophie Gilbert, 2015-04-29 Named a most anticipated book of Spring by Washington Post Harper's Bazaar Marie Claire Bustle LitHub Our Culture Kirkus AV Club and WNYC From Atlantic critic and Pulitzer Prize finalist Sophie Gilbert a blazing critique of early aughts pop culture What happened to feminism in the twenty first century This question feels increasingly urgent in a moment of cultural and legislative backlash when widespread uncertainty about the movement's power focus and currency threatens decades of progress Sophie Gilbert identifies an inflection point in the late 1990s and early 2000s when the energy of third wave and riot grrrl feminism collapsed into a regressive period of hyper objectification sexualization and infantilization Mining the darker side of nostalgia Gilbert trains her keen analytic eye on the most revealing cultural objects of the era across music film television fashion tabloid journalism and more What she recounts is harrowing from the leering gaze of the paparazzi to the gleeful cruelty of early reality TV and a burgeoning internet culture vicious toward women in the spotlight and damaging for those who weren't Gilbert tracks many of the period's dominant themes back to the rise of internet porn which gained widespread influence as it began to pervade our collective consciousness The result is a devastating portrait of a time when a distinctly American blend of excess materialism and power worship collided

with the culture's reactionary puritanical and chauvinistic currents Amid a collective reconsideration of the way women are treated in public *Girl on Girl* is a blistering indictment of the matrix of misogyny that undergirded the cultural production of the early twenty first century and continues to shape our world today **Dragon Shifters Do It: Books 1-3** Gemma Cates, Three steamy dragon romances filled with humor and naughty dragon sex shenanigans This collection includes DRAGONS DO IT DIRTIER A sex starved bookkeeper who's afraid to trust her heart and a reluctantly honorable whisky distilling dragon Are they fated mates or just a steamy romp A humorous dragon shifter romance with all the sex and lots of laughs DRAGONS DO IT NERDIER A blocked writer looking for inspiration meets a badass nerd dragon She's reluctant but he's ready to woo her until he realizes life with him is full of unavoidable dangers DRAGONS DO IT NAUGHTIER A woman who's been let down by life and love meets a dragon who's ready to shine up his tarnished scales for her but they've got one hell of a past to overcome if they're going to find their long haul forever love **Dragons Do It Nerdier** Gemma Cates, 2021-11-19 A blocked writer looking for inspiration Kaylee I write about bad men who do dirty things to needy women Or I used to I'm on a deadline and the words aren't coming My creative well is nothing more than a mud puddle Perhaps a reflection of my equally uninspiring life But then I encounter a smoking man with a serious book habit at my local library Suddenly he's my hero I'm writing about a gorgeous bespectacled guy with lickable abs and bitable biceps The words are flowing but it's not the book I meant to write Not enough handcuffs too many teeth and claws and I'm not entirely sure why A nerdy dragon looking for love Dex I found her My one true mate And She thinks I'm a lunatic Dragons aren't real I just have to convince a woman with an imagination so vast she creates fictional worlds for a living that everything she's ever dreamt is real magic included No problem Without revealing my true form More complicated While keeping her safe Dammit Note from the author This book contains a practical writer who's certain that dreams and magic are for children and that happily ever after only exists in fiction It also contains a badass nerd dragon who's ready for love until he meets the woman of his dreams and realizes life with him is full of unavoidable dangers *Food, Feminisms, Rhetorics* Melissa A. Goldthwaite, 2017-06-19 Inspired by the need for interpretations and critiques of the varied messages surrounding what and how we eat *Food Feminisms Rhetorics* collects eighteen essays that demonstrate the importance of food and food related practices as sites of scholarly study particularly from feminist rhetorical perspectives Contributors analyze messages about food and bodies from what a person watches and reads to where that person shops taken from sources mundane and literary personal and cultural This collection begins with analyses of the historical cultural and political implications of cookbooks and recipes explores definitions of feminist food writing and ends with a focus on bodies and cultures both self representations and representations of others for particular rhetorical purposes The genres objects and practices contributors study are varied from cookbooks to genre fiction from blogs to food systems from product packaging to paintings but the overall message is the same food and its associated practices are worthy of scholarly attention *Confronting Animal Exploitation* Kim Socha, Sarah Jane Blum, 2013-02-06 As

animal exploitation increases animal liberation issues are of growing concern as seen through the rise of veganism academic disciplines devoted to animal issues and mainstream critiques of factory farms Yet as the dialogues debates and books continue to grow the voices of street level activists not academics journalists or vegan chefs are rarely heard This volume broadens animal liberation dialogues by offering the arguments challenges inspiration and narratives of grassroots activists The essays show what animal advocacy looks like from a collective of individuals living in and around Minnesota s Twin Cities the essayists however write of issues both personal and political that resound on a global scale This collection provides a platform for rank and file activists to explain why and how they dedicate their time and what is being done for animals on a local level that can translate to global efforts to end animal exploitation
