Monographic Series Library of Congress, History of the Literature of the Scandinavian North from the Most Ancient Times to the Present Fr. Winkel Horn, 1883 Foreign Social Science Bibliographies, 1965 **Nordic Literature** Steven P. Sondrup, Mark B. Sandberg, Thomas A. DuBois, Dan Ringgaard, 2017-12-15 Nordic Literature A comparative history is a multi volume comparative analysis of the literature of the Nordic region Bringing together the literature of Finland continental Scandinavia Sweden Norway Denmark and S pmi and the insular region Iceland Greenland and the Faroe Islands each volume of this three volume project adopts a new frame through which one can recognize and analyze significant clusters of literary practice This first volume Spatial nodes devotes its attention to the changing literary figurations of space by Nordic writers from medieval to contemporary times Organized around the depiction of various scapes and spatial practices at home and abroad this approach to Nordic literature stretches existing notions of temporally linear nationally centered literary history and allows questions of internal regional similarities and differences to emerge more strongly The productive historical contingency of the North as a literary space becomes clear in this close analysis of its literary texts and practices

Flom, 1907 Medieval Scandinavia Birgit Sawyer, 1993 The study of Scandinavia has been and still is deeply influenced by the interpretation of its earliest history that was developed in the 19th century by political legal and literary historians archaeologists and anthropologists Scandinavia figured prominently in discussions of early medieval Europe not only as the homeland of the Vikings but also as the region in which Germanic society remained uncontaminated by Christianity and other influences longer than anywhere else In Medieval Scandinavia Birgit and Peter Sawyer question assumptions about early Scandinavian history including the supposed leading role of free and equal peasants and their position in founding churches They meticulously trace the development of Scandinavia from the early ninth century through the second and third decades of the 16th century when rulers of Scandinavia rejected the authority of the Papacy and the attempt to establish a united Scandinavian monarchy finally collapsed The authors include a discussion of medieval history writing and comment on the use of history in the 16th century and modern attitudes to medieval history which differ in various parts of Scandinavia They ultimately conclude that historic Scandinavia held greater similarities to other European regions than has been commonly supposed Birgit Sawyer is one of the founders of the biennial interdisciplinary conferences on women in medieval Scandinavia Peter Sawyer s previous books include **Kings and Vikings** and **The Age of the Vikings** **Architecture, Society, and Ritual in Viking Age Scandinavia** Marianne Hem Eriksen, 2019-02-28 This book explores households social

organization and rituals in Viking Age Scandinavia through a study of dwellings and their doorways **Routledge Revivals: Medieval Scandinavia (1993)** Phillip Pulsiano, Kirsten Wolf, 2017-07-05 First published in 1993 Medieval Scandinavia An Encyclopedia covers every aspect of the region during the Middle Ages including rulers and saints overviews of the countries religion education politics and law culture and material life history literature and art Written by a team of expert contributors the encyclopedia offers those who lack command of the various Scandinavian languages a basic tool for the study of Medieval Scandinavia from roughly the Migration Period to the Reformation With full page maps useful supplementary photos cross references and a comprehensive index this work will be a valuable and absorbing volume for students of the Norse sagas the Viking age and Old English history and literature and for anyone interested in the cultural and historical heritage of Scandinavia New Perspectives on the Bronze Age Sophie Bergerbrant, Anna Wessman, 2017-04-30 This collection of articles helps to explain why the Bronze Age has come to hold such a fascination within modern archaeological research By providing new theoretical and analytical perspectives on the evidence new interpretative avenues have opened it situates the history of the Bronze Age in both a local and a global setting **The Scandinavians from the Vendel Period to the Tenth Century** Judith Jesch, 2012 Ethnographic studies trace the background to and impact of urbanisation and Christianisation and the development of royal power which stimulated the transition from the Viking age to the medieval period Using the evidence of archaeology poetry legal texts and annals this volume investigates the social economic and symbolic structures of early Scandinavia at the time of the Viking expansion The contributors provide an outline ethnography covering dwellings and settlements kinship and social relations law political structures and external relations rural and urban economies and the ideology of warfare The topics are discussed through case studies illustrating the changing scholarly interpretations of this formative period in Scandinavian history By addressing these key research questions the contributions trace the background to and the impact of urbanisation and Christianisation and the development of royal power which stimulated the transition from the Viking age to the medieval period in Scandinavia JUDITH JESCH is Professor in Viking Studies at the University of Nottingham Contributors LENA HOLMQUIST OLAUSSON BENTE MAGNUS E VESTERGAARD BIRGIT ARRHENIUS STEFAN BRINK LISE BENDER JORGENSEN SVEND NIELSEN FRANDS HERSCHEND NIELS LUND DAVID N DUMVILLE JUDITH JESCH DENNIS H GREEN Law and The Christian Tradition in Scandinavia Kjell Å Modéer, Helle Vogt, 2020-10-08 This book presents a comprehensive history of law and religion in the Nordic context The entwinement of law and religion in Scandinavia encompasses an unusual history not widely known yet important for its impact on contemporary political and international relations in the region The volume provides a holistic picture from the first written legal sources of the twelfth century to the law of the present secular welfare states It recounts this history through biographical case studies Taking the point of view of major influential figures in church politics university and law it thus presents the principal actors who served as catalysts in ecclesiastical and secular law through the centuries This

refreshing approach to legal history contributes to a new trend in historiography particularly articulated by a younger generation of experienced Nordic scholars whose work is featured prominently in this volume The collection will be a valuable resource for academics and researchers working in the areas of Legal History and Law and Religion The History of Swedish Economic Thought Bo Sandelin,2013-12-19 Originally published in 1991 this is the first book in English to chart the history of economic thought in Sweden Concentrating on the major figures of Davidson Wicksell Cassel and Heckscher and on the members of the Stockholm School it discusses Swedish contributions to both the neo classical and Keynesian revolutions Throughout Swedish economic thought is seen in the context both of international economics and of domestic institutional developments Scandinavia in the Age of Revolution Michael Bregnsbo,Patrik Winton,2016-12-05 The Age of Revolution is a term seldom used in Scandinavian historiography despite the fact that Scandinavia was far from untouched by the late eighteenth century revolutions in Europe and America Scandinavia did experience its outbursts of radical thought its assassinations and radical reforms but these occurred within reasonably stable political structures practices and ways of thinking As recent research on the political cultures of the Nordic countries clearly demonstrates the Danish Finnish Icelandic Norwegian and Swedish experiences of the late eighteenth and early nineteenth centuries offer a more differentiated look at what constitutes revolutionary change in this period compared with other regions in Europe They provide an alternative story of an incipient transition towards modernity a Nordic model in which radical change takes place within an apparent continuity of the established order The long term products of the processes of change that began in the Age of Revolution were some of the most progressive and stable political systems in the modern world At the same time the Scandinavian countries provide a number of instances which are directly relevant to comparisons particularly within the northwest European cultural area Presenting the latest research on political culture in Scandinavia this volume with twenty seven contributions focuses on four key aspects the crisis of monarchy the transformation in political debate the emerging influence of commercial interest in politics and the shifting boundaries of political participation Each section is preceded by an introduction that draws out the main themes of the chapters and how they contribute to the broader themes of the volume and to overall European history Generously illustrated throughout this book will introduce non Scandinavian readers to developments in the Nordic countries during the late eighteenth and early nineteenth centuries and both complement and challenge research into the political cultures of Europe and America *Nordic Orientalism* Elisabeth Oxfeldt,2005 Nordic Orientalism explores the appropriation of Oriental imagery within Danish and Norwegian nineteenth century nation building The project queries Edward Said s binary notion of Orientalism and posits a more complex model describing how European countries on the periphery Denmark and Norway imported Oriental imagery from France to position themselves not against their colonial Other but in relation to central European nations Examining Nordic Orientalism across a century in the context of modernization urbanization and democratization the study furthermore shows how the Romanticists naive treatment of the

Orient was challenged by increased contact with the real Orient **Avaldsnes - A Sea-Kings' Manor in First-Millennium Western Scandinavia** Dagfinn Skre, 2017-12-04 The Royal manor Avaldsnes in southwest Norway holds a rich history testified by 13th century sagas and exceptional graves from the first millennium AD In 2011 12 the settlement was excavated In this first book from the project crucial results from an international team of 23 scholars are published The chapters cover a wide array of topics ranging from building remains and scientific analyses of finds to landownership and ritual manifestations The Revelations of St. Birgitta of Sweden, Volume 3 Saint Bridget (of Sweden), 2006 St Birgitta of Sweden was one of the most charismatic and influential female visionaries of the later Middle Ages Her revelations influenced the spiritual lives of many individuals including Martin Luther Interest in Birgitta has grown recently and she is now admired as a powerful voice and prophet of reform

Skrifter Scandinavian Universitys Introduction

In today's digital age, the availability of Skrifter Scandinavian Universitys books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Skrifter Scandinavian Universitys books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Skrifter Scandinavian Universitys books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Skrifter Scandinavian Universitys versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Skrifter Scandinavian Universitys books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Skrifter Scandinavian Universitys books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Skrifter Scandinavian Universitys books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system.

Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Skrifter Scandinavian Universitys books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Skrifter Scandinavian Universitys books and manuals for download and embark on your journey of knowledge?
