Slavonic Fairy Tales: Collected and Translated From The Russian, Polish, Servian, and Bohemian John

Theophilus Naake, 2020-09-28 A certain magician being angry with a young peasant came to the hut where he lived and stuck a new and sharp knife under the threshold repeating an incantation as he did so accompanied by this wish May this peasant be seized and carried away by the wind into the air there to remain for seven whole years The peasant went into the fields to make hay when all of a sudden a great wind arose It scattered the hay over the field and seized the peasant himself In vain he struggled in vain he caught hold with his strong arms of hedge or branch of tree the invisible power lifted him up and carried him away Borne as if on the wings of the wind among the clouds he flew like a wild pigeon The sun began already to disappear in the west and the hungry peasant could see the smoke ascending from the cottages in his village where supper was cooking At one time he could almost touch the chimney pots with his feet and he screamed aloud for help But he screamed and wept in vain no one heard his cries or saw his bitter tears He was thus carried about in the air for nearly three months and by that time from hunger and thirst had become dried up like a piece of wood He travelled over a large part of the world but the wind carried him chiefly over the village where he had lived With tears in his eyes he would look on the hut where dwelt his betrothed He would see her coming out with dinner for some one of the family He would spread his thin cold arms towards her and call her by her name His voice would die in his throat while the girl would not even look up Away and away the peasant was borne by the wind Presently he saw the cruel magician standing before his own house The magician looked up and shouted to him Ah I have not done with you yet you shall be thus carried by the wind over your own village for seven long years You shall suffer constantly and wish you were dead but you shall not be able to die Oh my little father my master forgive me if I have offended you cried the poor fellow from above Look at me see my mouth is as dry as a chip Look at my face and hands the flesh is gone from them and the bones only are left Have mercy upon me *Slavonci Fairy Tales*

Poland Russia Bohemia and Servia have contributed stories to this little collection It may be said that the Bohemian tales perhaps through the genius of the poets who have preserved them have in their original form more art more grace more completeness of outline than the others Those from Poland reflect the passive virtues and genial warmth of the peasants whose lives they illustrate A greater simplicity amounting even to childishness will be found to characterise the Russian stories Those from Servia are in some features unique and may be found the most interesting of the series The exalted imagination of the Servian race is allied with keen and homely sense and their vigorous and beautiful romances called forth

the admiration of Goethe It is hoped that these varied characteristics may not wholly have evaporated in translation From the Preface This delightful book contains forty tales from the Slavonic lands entitled as follows Carried Away by the Wind Why is the Sole of Ma *Slavonic Fairy Tales* John Theophilus Naake, 2017-09-16 Excerpt from Slavonic Fairy Tales Collected and Translated From the Russian Polish Servian and Bohemian IT is no longer thought needful to apologise for a collection of folk tales They are not even the peculiar property of the children any longer the gravest scholars do not disdain to examine and discuss them and all parts of the world from Mongolia to Cafraria are ransacked to produce them Here is presented a little gathering of these wild owers plucked not for their scientific interest though that they possess but for the wild fresh perfume that clings about them About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Slavonic Fairy Tales* John Theophilus Naaké, 1974 *Slavonic Fairy Tales* John T. Cossack Fairy Tales and Folk Tales Robert Nisbet Bain, 2014-02-13 In this volume you will find 27 uniquely Slavonic and Cossack stories like The Story Of Unlucky Daniel The Vampire And St Michael The Tsar And The Angel The Story Of Ivan And The Daughter Of The Sun and more not heard in the west for many a year This volume of stories has been selected from a Slavonic dialect extraordinarily rich in folk tales The language is Ruthenian or the language of the Cossacks This was the first translation ever made from Ruthenian into

English There are peculiar and original elements in these stories not to be found in the folk lore of other European peoples The comparative isolation of the Cossacks and their remoteness from the great theaters of historical events has seen favorable conditions for the safe preservation of old myths and the easy development of new ones Ruthenian is a language intermediate between Russian and Polish but independent of both Its territory embraces that vast area which lies between the Carpathian Mountains and the Sea of Azov with Lemberg and Kiev for its chief intellectual centers Until independence the language was rigorously repressed by the Soviet Government and has since been a foundation from which modern Ukrainian has been developed It possesses a noble literature numerous folk songs and a copious collection of justly admired folk tales many of them of great antiquity which are regarded both in Russia and Poland as quite unique of their kind
