the Esoteric Osho, 2019-04-20 In this early record of his talks and conversations with seekers Osho shares the foundational underpinnings of his work in a systematic straightforward and accessible way What does he mean when he talks about consciousness And how does this consciousness differ from the bundle of anxieties rationalizations plans and remembrances that fill most of our everyday thoughts Does consciousness evolve and grow as we mature or is it somehow timeless and eternal merely waiting to be discovered Or is it maybe both If free will and awareness of death are what sets us apart as human beings from the animals what are our responsibilities in deciding what choices to make both individually and in relation to the world in which we live As Osho puts it To be or not to be To do or not to do To do this or to do that No choice is not possible If we do not choose then we are choosing not to choose it is a choice So we are forced to choose we are not

free not to choose The dignity the beauty and the glory of humans is this consciousness But it is a burden also The glory and the burden come simultaneously the minute you become conscious Every step is a movement between the two With man choice and conscious individuality come into existence You can evolve but your evolution will be an individual endeavor You may evolve to become a buddha or you may not The choice is yours The intellectual rigor and precision of these talks are reminiscent of Osho's days as renowned debater and university professor And at the same time as always in his work the mysterious the unknowable that which cannot be put into words is honored on every page Readers who are new to Osho's work will discover the science behind his revolutionary active meditations and why he feels they are urgently needed for 21st century human beings Those who have wondered what all the sex guru hype is about will learn how he views sex energy as an essential seed that rightly nourished will flower into meditation Readers drawn to the book by the esoteric aspect of its title will benefit from his explorations of astral bodies kundalini and the significance of dreams although some might find a few favorite fairytales and sacred cows challenged along the way And last but not least longtime readers of Osho may find in this precise and succinct yet comprehensive presentation of his work the click that brings new insight and depth to familiar much loved texts

Yoga Nidra Meditations Julie Lusk, 2021-06-08 Enjoy Pure Bliss and True Relaxation with Yoga Nidra Experience peace and deeply restorative rest that heals your body mind and spirit Featuring twenty four Yoga Nidra scripts written by author Julie Lusk and thirteen of the world's master teachers this book shows you how to use yogic sleep to revitalize your inner reservoir of intuitive understanding and unconditional joy As a practice done lying down Yoga Nidra helps you ease anxiety boost immunity reduce chronic pain improve heart health enhance memory and concentration and much more This empowering book offers meditations for everyone and they're all backed by contemporary science With guidance from Kamini Desai PhD Swami Satchidananda Swami Shankardev Saraswati MD Uma Dinsmore Tuli PhD and other experts you'll learn to clear your mind settle your emotions and reach a unique state of calm focused awareness
