Sleeping Princess Camera Studies:

The Sleeping Princess Gordon Anthony, 1942 **The Sleeping Princess. Camera Studies by G. Anthony. With Text by Nadia Benois, Arnold Haskell, and Constant Lambert. [With a Portrait.]**. Gordon Anthony, Nadia BENOIS, Arnold Lionel David HASKELL, Constant Lambert, 1940 **The sleeping princess** Peter Ilich Tchaikovsky, 1943 Dance on Its Own Terms Melanie Bales, Karen Eliot, 2013-05-06

Dance on its Own Terms Histories and Methodologies anthologizes a wide range of subjects examined from dance centered methodologies modes of research that are emergent based in relevant systems of movement analysis use primary sources and rely on critical informed observation of movement The chapters emphasize dance history and core disciplinary knowledge in three categories of significant dance activity performance and reconstruction pedagogy and choreographic process and notational and other written forms that analyze and document dance Conceptually each chapter also raises concerns and questions that point to broadly inclusive methodological applications Engaging and insightful Dance on its Own Terms represents a major contribution to research on dance The New Elizabethan Age Irene Morra, Rob Gossedge, 2016-09-30

In the first half of the twentieth century many writers and artists turned to the art and received example of the Elizabethans as a means of articulating an emphatic and anti Victorian modernity By the middle of that century this cultural neo Elizabethanism had become absorbed within a broader mainstream discourse of national identity heritage and cultural performance Taking strength from the Coronation of a new young Queen named Elizabeth the New Elizabethanism of the 1950s heralded a nation that would now see its modern televised monarch preside over an imminently glorious and artistic age This book provides the first in depth investigation of New Elizabethanism and its legacy With contributions from leading cultural practitioners and scholars its essays explore New Elizabethanism as variously manifested in ballet and opera the Coronation broadcast and festivities national historiography and myth the idea of the Young Elizabethan celebrations of air travel and new technologies and the New Shakespeareanism of theatre and television As these essays expose New Elizabethanism was much more than a brief moment of optimistic hyperbole Indeed from modern drama and film to the reinterment of Richard III from the London Olympics to the funeral of Margaret Thatcher it continues to pervade contemporary artistic expression politics and key moments of national pageantry

Reading Dance Robert Gottlieb, 2008-11-04 Robert Gottlieb's immense sampling of the dance literature by far the largest such project ever attempted is both inclusive to the extent that inclusivity is possible when dealing with so vast a field and personal the result of decades of reading It limits itself to material within the experience of today's general readers avoiding for instance academic historical writing and treatises on technique its earliest subjects are those nineteenth century works and choreographers that still resonate with dance lovers today Giselle The Sleeping Beauty Swan Lake Bournonville and Petipa And as Gottlieb writes in his introduction The twentieth century focuses to a large extent on the achievements and personalities that dominated it from Pavlova and Nijinsky and Diaghilev to Isadora Duncan and Martha Graham from Ashton

and Balanchine and Robbins to Merce Cunningham and Paul Taylor and Twyla Tharp from Fonteyn and Farrell and Gelsey Kirkland the Judy Garland of Ballet to Nureyev and Baryshnikov and Astaire as well as the critical and reportorial voices past and present that carry the most conviction In structuring his anthology Gottlieb explains he has tried to help the reader along by arranging its two hundred plus entries into a coherent groups Apart from the sections on major personalities and important critics there are sections devoted to interviews Tamara Toumanova Antoinette Sibley Mark Morris profiles Lincoln Kirstein Bob Fosse Olga Spessivtseva teachers accounts of the birth of important works from Petrouchka to Apollo to Push Comes to Shove and the movies from Arlene Croce and Alastair Macauley on Fred Astaire to director Michael Powell on the making of The Red Shoes Here are the voices of Cecil Beaton and Irene Castle Ninette de Valois and Bronislava Nijinska Maya Plisetskaya and Allegra Kent Serge Lifar and Jos Lim n Alicia Markova and Natalia Makarova Ruth St Denis and Michel Fokine Susan Sontag and Jean Renoir Plus a group of obscure even eccentric extras including an account of Pavlova going shopping in London and recipes from Tanaquil LeClerq s cookbook With its huge range of content accompanied by the anthologist s incisive running commentary Reading Dance will be a source of pleasure and instruction for anyone who loves dance

Albion's Dance Karen Eliot,2016 Exploring the ballet boom in Britain during WWII this book asks how art and artists thrive during conflict Author Karen Eliot shows how ballet in Britain flourished during war exhibiting a surprising heterogeneity and vibrant populism The book focuses especially on the distinct roles of dance critics male and female dancers producers audiences and choreographers

Catalog of the Theatre and Drama Collections: Theatre Collection: books on the theatre. 9 v New York Public Library. Research Libraries,1967

Constant Lambert Stephen Lloyd,2014 To the economist and ballet enthusiast John Maynard Keynes he was potentially the most brilliant man he d ever met to Dame Ninette de Valois he was the greatest ballet conductor and advisor this country has ever had to the composer Denis ApIvor he was the greatest most lovable and most entertaining personality of the musical world whilst to the dance critic Clement Crisp he was quite simply a musician of genius Yet sixty years after his death Constant Lambert is little known today As a composer he is remembered for his jazz inspired The Rio Grande but little more and for a man who devoted the greater part of his life to the establishment of English ballet his work is largely unrecognized today This book looks not only at his music but at his journalism his talks for the BBC his championing of jazz in particular Duke Ellington and more privately his longstanding affair with Margot Fonteyn Book jacket

Margot Fonteyn Meredith Daneman,2005-10-04 Margot Fonteyn began life on the 18th of May 1919 in Reigate Surrey as plain Peggy Hookham She ended it on the 21st of February 1991 as Prima Ballerina Assoluta Dame of the British Empire and the most legendary dancer since Pavlova Meredith Daneman with her own extensive background in ballet tells Fonteyn s story in vivid prose with insight and sensitivity Drawing upon extensive research countless interviews and exclusive access to never before seen letters and diaries including those of Fonteyn s extraordinary and devoted mother Daneman presents firsthand remembrances of Fonteyn from a vast array of

people who knew her and danced with her during the course of her lengthy career Margot Fonteyn contains revelations not found in any other account of the ballerina from insights into Fonteyn's private world especially regarding her relationship with her mother the Black Queen to her feelings about her fellow dancers and of course the men in her life including choreographer Frederick Ashton her husband Roberto Arias and her long time dance partner and rumored lover Nureyev
