

SPURIOUS THINKING OR POEMS BY A P.P.P.

Can the poet really describe what the artist will see?

Capturing beauty within a drawing or painting with such ease.

They look to see a tree, flower or a hidden tree.

Can I do that, "never in a month of Sundays?"

Now there's a saying for you.

Hidden in the typical frame is thinking as clear as day.

Euphemisms such wonderful tools.

Helping to explain our day and many a situation.

Sometimes used to belittle a foe with a sniping hidden attack.

"He's a tight tight tree; he wouldn't give you the wind of his hat!"

As a child my son in tears, overbusting that a friend had gotten "The Sack".

In his young mind a vision of a dear friend carried away on the back of a giant or some dark and evil fiend.

At other times the quiet use of words can make the day.

This as a greeting accompanied with a bright smile from a stranger when met on a morning walk.

"Hi! Great to see you, you Old Goat".

As you reply to this greeting, searching your memory to think, "What the Hell was that".

What I must watch is not to mix my metaphors and euphemisms.

No please forgive if I do.

Let's not forget my problems with a thing call an anagram.

A title for this poem maybe.

Written by a P.P.P. Poet Poet, slightly rude but understood.

THERMAL RENAISSANCE.

The origins of rivers told in silent speech.

From the sky great rivers' soaring current falling to the harsh lands of poppy fields.

Five blue men sat down and laid down to sleep.

A mountainous hot spot reigns there in their everlasting sleep.

This aging eye soaring in the sky, spraying aerial life like a hawk through bullhead holes.

Missing a hand falling on a glowing glow on life's battery they normally depend, now to become their foe.

This vicious cycle starts again, horses never to return to the glens.

Over land and over more in blue skies above the soaring heat of hot desert lands and poppy fields.

PEOPLE AND THOUGHTS.

People, places and things as the words of the song go.

My words, your words and everyone else's, do they matter.

All words matter but mostly it's how they are said.

Words are sounds created by others thinking, carrying other's thoughts.

It is the power of the spoken word and what it can do.

The power to move mountains and topple the foundations of the once great and mighty.

Through the dust of fallen cities come other words, some good and others not so good.

The latter usually from the hand that wields the sword.

They shout from loud brasses emboldened mouths.

To their tyranny on the helpless women and child.

This evil of men, high and mighty conclusions to their own evil selfish thoughts and beliefs.

To find no fault many an ignoble deed.
