

The background of the entire image is a dense, repeating pattern of irregular triangles. The triangles are in two colors: a deep red and a mustard gold. They are arranged in a way that creates a complex, mosaic-like texture. The text is overlaid on this pattern.

Sumerian Vistas Poems:

Sumerian Vistas: Poems A. R. Ammons, 1987-06-17 Ammons's poetic genius has always been at home in forms ranging from brief lyrics to longer works. In the present volume the first since his highly acclaimed *Lake Effect Country*, readers will find superb examples of work in both forms. *The Ridge Farm*, which begins the book, and *Tombstones*, at its center, are fine longer meditations, while *Motion's Holdings*, the concluding section, contains a number of his best new shorter poems. The book is proof once again that Ammons is one of our major American poets.

Sumerian Vistas A. R. Ammons, 1998 **The Complete Poems of A. R. Ammons** A. R. Ammons, 2018-12-18 An essential volume from a master maker, Richard Howard. If you will sit with me in the light of speech, I will sit with you. Readers who accept that invitation will find themselves in extraordinary company. *The Complete Poems of A. R. Ammons Volume II* presents the second half of Archie Randolph Ammons's long career, including the complete texts of his two book-length poems from that period, *Garbage* (for which he won his second National Book Award) and *Glare* (which drew special praise from the Academy of American Poets as it bestowed on him its highest honor, the Wallace Stevens Award). In addition, two appendices offer over one hundred and twenty previously uncollected poems dating from the 1950s to the late 1990s. Among this volume's many highlights are celebrations of the natural world such as *Hermit Lark* and *Lofty Calling*; poems of remembrance as in *Chinaberry* and *Keeping Track*; prayers *Singling*, *Doubling Together*, and *Autonomy*; and compelling meditations on loss and mortality such as *Easter Morning* and *In View of the Fact As in Volume I*, the variety of scale is remarkable, ranging from the massiveness of *Glare* to the haiku-like brevity of *Pebble's Story*. The text of each poem has been established after careful consideration of Ammons's manuscripts and other prepublication materials. Endnotes detail the poems' composition and publication histories and also helpfully annotate references made within the poems. Celebrated poetry critic Helen Vendler's introduction both humanizes Ammons and traces the growth of his outsized stature as a major poet unquestionably among the best-loved poets of our time. David Lehman

Brink Road: Poems A. R. Ammons, 1997-08-17 No contemporary poet in America is likelier to become a classic than A. R. Ammons. Harold Bloom, with characteristic economy, A. R. Ammons writes that *Brink Road* lies off NY 96 between Candor and Catatunk. The very name suggests that we are ever in transition from one state of mind to another, always on the edge of revelation. The more than 150 poems in *Brink Road* date from 1973 to the present, dealing with Ammons's concerns with language, mortality, and the forces underlying the natural world. With elegance, wit, and ruminative gravity, *Brink Road* is an important addition to one of the most enduring bodies of poetry of our time.

A.R. Ammons and the Poetics of Widening Scope Steven P. Schneider, 1994 Schneider presents new and penetrating readings of Ammons's central poems such as *Corsons Inlet*, *Sphere*, and *Easter Morning*.

The Selected Poems (Expanded Edition) A. R. Ammons, 1987-03-17 A. R. Ammons's selection of his work, once again as the critic Harold Bloom wrote of the earlier version, makes available the very best of him. To the visions of clarity and terror in that volume, the poet now adds the most important poems from his three

books published since The resulting collection is the essential starting place for new readers the quarry for those familiar with his work Among the new poems is Easter Morning which the critic Helen Vendler called a classic poem a revelation

Sustainable Poetry Leonard M. Scigaj,2021-12-15 Focusing on the work of A R Ammons Wendell Berry W S Merwin and Gary Snyder author Leonard Scigaj shows that just as a sustainable society does not depreciate its resource base so a sustainable poetry does not restrict interest to language Over the past thirty years many poets have shown an increasing sensitivity to ecological thinking But critics trained in poststructuralist language theory often fail to explore the substance of ecopoetry Scigaj is the first to define ecopoetry as separate and distinct from nature or environmental poetry marked by its concern with balancing the interests of human beings with the needs of nature Just as science learned that the earth was not the center of the universe ecopoetry insists on the recognition that humans are not at the center of the natural world

Collected Poems, 1951-1971 A. R. Ammons,2019-07-30 A reissue of a body of work spanning two decades from one of our most treasured poets It will seem increasingly to many attentive readers that this volume the most distinguished book of American verse in my judgment since the publication of Wallace Stevens s Collected Poems in 1955 marks the permanent establishment of a major visionary poet Harold Bloom No mere gathering of poems this collection is like one an explorer brings back David Kalstone The Poem Is You Stephanie Burt,2016-09-12 The variety of contemporary American poetry leaves many readers overwhelmed Critic scholar and poet Stephanie Burt sets out to help Beginning in the early 1980s where critical consensus ends she presents 60 poems each with an original essay explaining how the poem works why it matters and how it speaks to other parts of art and culture Wandering Time Luis Alberto Urrea,1999-01-01 Fleeing a failed marriage and haunted by ghosts of his past Luis Alberto Urrea jumped into his car several years ago and headed west Driving cross country with a cat named Rest Stop Urrea wandered the West from one year s Spring through the next Hiking into aspen forests where leaves shiver and tinkle like bells and poking alongside creeks in the Rockies he sought solace and wisdom In the forested mountains he learned not only the names of trees he learned how to live As nature opened Urrea s eyes writing opened his heart In journal entries that sparkle with discovery Urrea ruminates on music poetry and the landscape With wonder and spontaneity he relates tales of marmots geese bears and fellow travelers He makes readers feel mountain air so crisp you feel you could crunch it in your mouth and reminds us all to experience the magic and healing of small gestures ordinary people and common creatures Urrea has been heralded as one of the most talented writers of his generation In poems novels and nonfiction he has explored issues of family race language and poverty with candor compassion and often astonishing power Wandering Time offers his most intimate work to date a luminous account of his own search for healing and redemption
