

7 THE SACRAMENTS

Baptism

"Baptism is the sacrament of regeneration through water in the word."

Anointing of the Sick

"By the sacred anointing of the sick and the prayer of the priests the whole Church commends those who are ill to the suffering and glorified Lord, that he may raise them up and save them, and indeed she exhorts them to contribute to the good of the People of God by freely uniting themselves to the Passion and death of Christ."

Confirmation

Confirmation is necessary for the completion of baptismal grace. For "by the sacrament of Confirmation, [the baptized] are more perfectly bound to the Church and are enriched with a special strength of the Holy Spirit. Hence they are, as true witnesses of Christ, more strictly obliged to spread and defend the faith by word and deed."

Holy Orders

Holy Orders is the sacrament through which the mission entrusted by Christ to his apostles continues to be exercised in the Church until the end of time: thus it is the sacrament of apostolic ministry. It includes three degrees: episcopate, presbyterate, and diaconate.

Eucharist

The holy Eucharist completes Christian initiation. Those who have been raised to the dignity of the royal priesthood by Baptism and configured more deeply to Christ by Confirmation participate with the whole community in the Lord's own sacrifice by means of the Eucharist.

Marriage

"The matrimonial covenant, by which a man and a woman establish between themselves a partnership of the whole of life, is by its nature ordered toward the good of the spouses and the procreation and education of offspring; this covenant between baptized persons has been raised by Christ the Lord to the dignity of a sacrament."

Confession

"Those who approach the sacrament of Confession obtain pardon from God's mercy for the offense committed against him, and are, at the same time, reconciled with the Church which they have wounded by their sins and which by charity, by example, and by prayer labors for their conversion."

Martin Luther and the Seven Sacraments Brian C. Brewer,2017-10-03 This introduction to Martin Luther's sacramental theology addresses a central question in the life of the church and in ecumenical dialogue Although Luther famously reduced the sacraments from seven to two baptism and the Lord's Supper he didn't completely dismiss the others Instead he positively recast them as practices

in the church This book explores the medieval church's understanding of the seven sacraments and the Protestant rationale for keeping or eliminating each sacrament It also explores implications for contemporary theology and worship helping Protestants imagine ways of reclaiming lost benefits of the seven sacraments
