Summer Endings:

Summer's End Lyn Cote, 2003 Dr Kirsi Royston finds much more than she bargained for when she arrives in Steadfast Wisconsin **Summer's End** Joel A. Sutherland, 2017-03-01 One terrifying summer can stay with you forever It's the summer before high school and Jacob and his friends are determined to make it a memorable one This may be the last couple of months they have together once school starts they'll be going their separate ways Ichiro's family is moving to Japan And while Jacob and the twins Hayden and Hannah are staying behind in Valetton they'll be going to different high schools When they discover an old abandoned home on a remote island of their Muskoka community things suddenly take an unexpected turn The kids find themselves inexplicably drawn to the house that had once been a sanatorium for children with tuberculosis and learn that it has some haunting secrets to hide **Summer's End** John Van Stry, 2022-12-06 SOMETIMES A DARK PAST CAN HAUNT YOU OTHER TIMES IT JUST MAY BE THE ONLY THING KEEPING YOU ALIVE Fresh out of college with his Ship Engineer 3rd Class certificate Dave Walker's only thought is to try to find a berth on a corporate ship plying the trade routes between the many habs orbitals and moons in the Solar System The problem for Dave however isn't his straight C average it's that his stepfather a powerful Earth Senator he's never met now wants him dead Forced to take the first berth he can find Dave ends up on the Iowa Hill an old tramp freighter running with a minimal crew and nearing the end of its useful life plying the routes that the corporations ignore and visiting the kinds of places that the folks on Earth pretend don't exist Between the assassins the criminals and the pirates he needs to deal with Dave is discovering that there are a lot of things out there that he still needs to learn But there's one hard lesson he learned long ago that he's being forced to remember how to be ruthless At the publisher's request this title is sold without DRM Digital Rights Management **The Summer's End** Mary Alice Monroe, 2016-04-26 In this next novel in the Lowcountry Summer series New York Times bestselling author Mary Alice Monroe returns to the charm and sultry beauty of Sullivan's Island South Carolina and the Muir family three half sisters bound by love for their grandmother and the Carolina lowcountry in an unforgettable tale of family bonds and love as strong and steady as the tides **Summer's End** Danielle Steel, 2009-06-03 Deanna was eighteen when she married a handsome Frenchman attorney Marc Edouard Duras Now at thirty seven she should be happy with Marc her elegant home in San Francisco and their teenage daughter Pilar But one summer changes it all when she realizes her failing marriage is a trap she must escape **Before Summer's End** Irene Olds, Marlene Lauster Young, 2012-10-09 We may reminisce about a first baby doll at Christmas or a Radio Flyer wagon long awaited Recalling precious moments of youth and the love held within them is food for our souls Such precious moments often escape us Before Summers End recalls a time and place in history that has escaped many of us It was a time when being young meant carefree summers running in the rain and discovering the unknown Within this story lie the innocence of youth the true importance of family and the way that little things in life hold true meaning Excitement fills the air while we wander through a summer day near the end of harvest

time We romp in the yard chasing away the ducks as we search for gold We watch a stray cat being squirted with milk and roll over in laughter until our bellies hurt In the front yard a rope swing patiently waits to take our breath away as it glides through the breeze We remember the time when being young was easy and carefree Before Summers End reminds us of days past when the pace of life was slower and one could savor its joy feel its purity and hold tightly to its truth It was a time when children stood on a strong foundation that was built out of everyday ordinary moments

At Summer's End Courtney Ellis, 2021-08-10 A sparkling debut from a new author we're all going to want more from Susan Meissner bestselling author of *The Nature of Fragile Things* When an ambitious female artist accepts an unexpected commission at a powerful earl's country estate in 1920s England she finds his war-torn family crumbling under the weight of long-kept secrets From debut author Courtney Ellis comes a captivating novel about finding the courage to heal after the ravages of war Alberta Preston accepts the commission of a lifetime when she receives an invitation from the Earl of Wakeford to spend a summer painting at His Lordship's country home Castle Braemore Bertie imagines her residence at the prodigious estate will finally enable her to embark on a professional career and prove her worth as an artist regardless of her gender Upon her arrival however Bertie finds the opulent Braemore and its inhabitants diminished by the Great War The earl has been living in isolation since returning from the trenches locked away in his rooms and hiding battle scars behind a prosthetic mask While his younger siblings eagerly welcome Bertie into their world she soon sees chips in that world's gilded facade As she and the earl develop an unexpected bond Bertie becomes deeply entangled in the pain and secrets she discovers hidden within Castle Braemore and the hearts of its residents Threaded with hope love and loss *At Summer's End* delivers a portrait of a noble family and a world changed forever by the war to end all wars
