Summer Of Betrayal:

Summer of Betrayal Ying Hong, 1997 In the early hours of the morning following the massacre in Tiananmen Square a young poet Lin Ying flees the bullets tanks and soldiers When finally she arrives at the flat she shares with her lover Chen Yu she finds him in bed with his estranged wife *Women Writers in Postsocialist China* Kay Schaffer, Xianlin Song, 2013-07-31 What does it mean to read from elsewhere *Women Writers in Postsocialist China* introduces readers to a range and variety of contemporary Chinese women's writing which has seen phenomenal growth in recent years The book addresses the different ways women's issues are understood in China and the West attending to the processes of translation adaptation and the grafting of new ideas with existing Chinese understandings of gender feminism subjectivity consumerism and post modernism By focusing on women's autobiographical biographical fictional and historical writing the book engages in a transcultural flow of ideas between western and indigenous Chinese feminisms Taking account of the accretions of social cultural geographic literary economic and political movements and trends cultural formations and ways of thinking it asks how the texts and the concepts they negotiate might be understood in the social and cultural spaces within China and how they might be interpreted differently elsewhere in the global locations in which they circulate The book argues that women centred writing in China has a direct bearing on global feminist theory and practice This critical study of selected genres and writers highlights the shifts in feminist perspectives within contemporary local and global cultural landscapes *A History of Pain* Michael Berry, 2011 This work probes the restaging representation and reimagining of historical violence and atrocity in contemporary Chinese fiction film and popular culture It examines five historical moments including the Musha Incident 1930 and the February 28 Incident 1947 *Summer of Betrayal* Cynthia Gallant-Simpson, 2014-06-30 Diana and Karin Talbot were devoted and loving sisters unfortunately in love with the same man Diana met Theo first and fell head over heels in love with him Theo was older and a successful chef while Diana was just beginning to find her way just beginning to figure out the direction of her career as a painter following college Then Diana introduced him to her beloved older sister Karin The years passed Theo married Karin Diana married Oliver and the four of them spent their summers together in the Talbot family cottage in Truro on Cape Cod What came to pass was a testament to the strength and durability of true love and a test of how much one sister is willing to sacrifice for another The conclusion will both shock and surprise but also solidify for you the importance of following one's heart and not one's rational mind Love is not rational Love is cosmic A perfect summer read with everything anyone needs to know about what happens when we fail to follow our hearts *Exploring Relationships and Connections to Others* Mike P.
