Sunday Mornings:

No More Sunday Mornings Cheryl Joyner-Clark, 2009-10 Put your hands together everybody say Sunday Morning No The Blackwell s want nothing more to do with Sunday Mornings or God which is not the way Ruth Blackwell raised her children Ruth trained up her children in the church but when she died suddenly from cancer it seemed everything she taught them died with her She left behind three precious bibles and a prayer that they will one day find their way back to God It is true every man when he is driven away it is of his own lust and entice Each Blackwell is driven by something Jade the youngest is driven by love and surely she should be able to find it at church When she finds herself alone and pregnant after the death of her mother it is the church that cast her out like the woman wearing the scarlet letter Determined to never return again she seeks for the love that s been missing in the arms of a man only to find rejection and another child Her only source of freedom now is the club life No longer cleaving to what she was taught but now must make her own choices her own way Alexandria the middle child is driven by bitterness of the past and resolves to better her own life Seeking for fame as a fashion designer she is determined to make her mark in the world She doesn t need any distractions to stand in her way Not her needy sister looser brother not fine Trent Tyler and definitely not God Jasper the oldest is driven by riches but his search keeps landing him in jail All he could remember while sitting behind prison walls was what his mother used to say You can t hide from God He s wasn t hiding he just wanted to do what he wanted to do Free from prison he vows to do it the legal way but definitely not God s way How long will the Blackwell s stop seeking a legacy and embrace the one Ruth left behind How long will they continue to cry No More Sunday Mornings Saturday Night, Sunday Morning PJ Morton, 2024-11-12

Grammy winning singer songwriter keyboardist for the mega pop band Maroon 5 and founder of Morton Records PJ Morton details the inspiring journey that led to his unique sound and urges readers to follow their own dreams The son of pastors and gospel artists PJ Morton grew up singing gospel music in church As he was drawn to R B and pop PJ experimented in combining genres to create his own sound that record labels struggled to categorize Despite the pressure to conform he defied expectations and risked launching his own label Morton Records leading to twenty Grammy nominations and awards PJ Morton is the rare artist who has straddled the tensions of life whether in music or faith expressions or in racial and cultural identities while staying true to his New Orleans and Christian roots Saturday Night Sunday Morning captures his powerful journey of combining his two worlds showing readers how to overcome obstacles as they seek their own dreams
