OF THE EARLY MODERN PERIOD,
1588-1688:
An Anthology

EDITED BY STEPHANIE HODGSON-WRIGHT

Sundays At Sarahs An Anthology Of Womens Writing

BM King

Sundays At Sarahs An Anthology Of Womens Writing:

Sundays at Sarah's, 2003 *Antique Trader Book Collector's Price Guide* Richard Russell, 2009-11-13 This new edition of *Antique Trader Book Collector's Price Guide* provides readers with the information and values to carve a niche for themselves in a market where rare first editions of Jane Austen's *Emma* and J K Rowling's *Harry Potter and the Philosophers Stone* recently sold at auction for 254 610 dollars and 40 355 dollars respectively Organized in 13 categories including Americana banned paranormal and mystery this guide discusses identifying and grading books and provides collectors with details for identifying and assessing books in 8 000 listings **The Short Story Anthology and Women's Writing** Aleix Tura Vecino, 2025-08-14 Hundreds of anthologies of women's short stories have appeared in the literary market between the 1970s and now This publishing and cultural phenomenon is considered for the first time in this book which argues that during this period anthologies have become a literary technology used not only to make visible female short story writers but also to think about and mould ideas of womanhood Through creative and contextualised readings of the most important anthologies produced in this period this study shows that this literary form has contributed to and in some cases pioneered key developments in gender theory and feminist thought including questions of political combination among women which underlie contemporary global movements such as MeToo In doing so the book also develops the first book length conceptualisation of the features and meaning making mechanisms of the short story anthology as a literary form This book will benefit academics and students working in the fields of short fiction publishing and women's studies as well as feminist scholars and a growing number of specialists interested in the anthology as a literary form worldwide **Women's Writing from the Low Countries 1200-1875** Lia van Gemert, 2010 This book provides a welcome English translation of a marvelous anthology of women's religious and secular writing stretching from the visions of the late medieval mystics through the prison testaments of sixteenth century Anabaptist martyrs to the pamphleteers and novelists of the growing urban bourgeoisie The translations and introductions demonstrate the ways that women in the Low Countries shaped the intellectual and cultural developments of their eras **The Palgrave Encyclopedia of Victorian Women's Writing** Lesa Scholl, Emily Morris, 2022-12-15 Since the late twentieth century there has been a strategic campaign to recover the impact of Victorian women writers in the field of English literature However with the increased understanding of the importance of interdisciplinarity in the twenty first century there is a need to extend this campaign beyond literary studies in order to recognise the role of women writers across the nineteenth century a time that was intrinsically interdisciplinary in approach to scholarly writing and public intellectual engagement **Nineteenth-Century Women's Movements and the Bible** Angela Berlis, Christiana de Groot, 2024-03-22 *Nineteenth Century Women's Movements and the Bible* examines politically motivated women's movements in the nineteenth century including the legal cultural and ecclesiastical contexts of women Focusing on the period beginning with the French Revolution in 1789 through the end of World War I in 1918 contributors

explore the many ways that women's lives were limited in both the public and domestic spheres. Essays consider the social, political, biblical, and theological factors that resulted in a multinational raising of awareness and emancipation for women in the nineteenth century and the strengthening of their international networks. The contributors include Angela Berlis, Kristin Kobes Du Mez, Ute Gerhard, Christiana de Groot, Arnfridur Guðmundsdóttir, Izaak J. de Hulster, Elisabeth Joris, Christine Lienemann-Perrin, Amanda Russell, Jones Claudia Setzer, and Audrey T. Nnessen. Adriana Valerio and Royce M. Victor. More than Petticoats Gail Underwood Parker, 2009-02-10. *More than Petticoats* Remarkable New Hampshire Women celebrates the women who shaped the Granite State. Short illuminating biographies and archival photographs and paintings tell the stories of women from across the state who served as teachers, writers, entrepreneurs, and artists. *The Secrets of Women in Middle Dutch* Orlanda Soei Han Lie, Willem Kuiper, 2011. A poet head over heels in love with a charming lady writes a book at her request on intimate matters concerning women. It is a delicate undertaking not only because it is a relatively unknown subject for him but also because he does not want her to be angry with him when she reads about these highly personal matters. This is how *Der vrouwen heimelijcheit*. *The Secrets of Women* begins. An intriguing characteristic of this fifteenth-century text is the way in which the author has alternated scientific knowledge of the medieval *artes* corpus with a personal love complaint. He interrupts his gynaecological exposition in twenty odd places to express his love in lyrical terms. To make the text available for an international readership, this publication provides a cultural historical introduction and presents the *Middle Dutch Secrets of Women* together with an English translation. Available Means Joy S. Ritchie, Katharine J. Ronald, 2001-07-12. I say that even later someone will remember us. Sappho Fragment 147, sixth century BC. Sappho's prediction came true: fragments of work by the earliest woman writer in Western literate history have in fact survived into the twenty-first century. But not without peril. Sappho's writing remains only in fragments, partly due to the passage of time but mostly as a result of systematic efforts to silence women's voices. Sappho's hopeful boast captures the mission of this anthology: to gather together women engaged in the art of persuasion across differences of race, class, sexual orientation, historical and physical locations in order to remember that the rhetorical tradition indeed includes them. *Available Means* offers seventy women rhetoricians from ancient Greece to the twenty-first century a room of their own for the first time. Editors Joy Ritchie and Kate Ronald do so in the feminist tradition of recovering a previously unarticulated canon of women's rhetoric. Women whose voices are central to such scholarship are included here, such as Aspasia, a contemporary of Plato's; Margery Kempe; Margaret Fuller; and Ida B. Wells. Added are influential works on what it means to write as a woman by Virginia Woolf; Adrienne Rich; Nancy Mairs; Alice Walker; and Hélène Cixous. Public manifestos on the rights of women by Hortensia Mary Astell; Maria Stewart; Sarah and Angelina Grimké; Anna Julia Cooper; Margaret Sanger; and Audre Lorde also join the discourse. But *Available Means* searches for rhetorical tradition in less obvious places too. Letters, journals, speeches, newspaper columns, diaries, meditations, and a fable. Rachel Carson's introduction to *Silent Spring* also finds places in this

room Such unconventional documents challenge traditional notions of invention arrangement style and delivery and blur the boundaries between public and private discourse Included too are writers whose voices have not been heard in any tradition Ritchie and Ronald seek to unsettle as they expand the women s rhetorical canon Arranged chronologically Available Means is designed as a classroom text that will allow students to hear women speaking to each other across centuries and to see how women have added new places from which arguments can be made Each selection is accompanied by an extensive headnote which sets the reading in context The breadth of material will allow students to ask such questions as How might we define women s rhetoric How have women used and subverted traditional rhetoric A topical index at the end of the book provides teachers a guide through the rhetorical riches Available Means will be an invaluable text for rhetoric courses of all levels as well as for women s studies courses

The Wiley Blackwell Anthology of African American Literature, Volume 2 Gene Andrew Jarrett, 2014-01-13 The Wiley Blackwell Anthology of African American Literature is a comprehensive collection of poems short stories novellas novels plays autobiographies and essays authored by African Americans from the eighteenth century until the present Evenly divided into two volumes it is also the first such anthology to be conceived and published for both classroom and online education in the new millennium Reflects the current scholarly and pedagogic structure of African American literary studies Selects literary texts according to extensive research on classroom adoptions scholarship and the expert opinions of leading professors Organizes literary texts according to more appropriate periods of literary history dividing them into seven sections that accurately depict intellectual cultural and political movements Includes more reprints of entire works and longer selections of major works than any other anthology of its kind This second volume contains a comprehensive collection of texts authored by African Americans from the 1920s to the present The two volumes of this landmark anthology can also be bought as a set at over 20% savings
