media lady seeking crises conflict and confrontation to feed her TV audience and further her career Close behind her come the lawyers opportunists and tragedy as their agendas and actions reek havoc on an innocent ranching family The story clearly reveals the ripple effects of our actions whether they be for good or for ill The message in the book is timely especially as we are bombarded by a constant stream of the dire forebodings of impending environmental disasters and their accompanying never ending messages of Gloom and Doom At the end the fruits of the Ripple Effects of the novels characters come back to each of them Egos and agendas bring TRAGEDY for some love and experience bring TRANSCENDENCE for others
