Choe, 2016-12-08 This book attempts to inspire both church leaders and lay people through serious discussion of strategies as to how to restore the church in the midst of a struggling and declining age The author identifies the factors that have contributed to the decline of the church Choe utilizes his experience working with a struggling ministry to propose twenty four ideas and programs for the restoration of the church He calls specifically on church leaders to inspire others to come together and rebuild the church This book finds a decisive solution between Sunday pastor and Everyday pastor **Building a Culture of Peace** Paul R. Dekar, 2010-01-01 Around the world thousands of grassroots movements are confronting issues like destruction of the environment economic depression human rights violations religious fundamentalism and war This book tells the courageous story of one such group Organizing in 1939 Northern Baptists formed the Baptist Pacifist Fellowship as part of the Fellowship of Reconciliation Southern Baptists formed a parallel body Like today it was a time when sources of hope seemed hard to find Discerning a need to support and connect Baptist conscientious objectors in the United States members faced hostility in congregations and the nation For the duration of the Second World War the Korean War war in Vietnam and elsewhere Baptists sustained a witness for peace and justice By 1984 threat of nuclear weapons led to formation of a wider circle of resistance to the culture of war Subsequently the Baptist Peace Fellowship of North America has brought together Baptist peacemakers from around North America and the world However small in numbers or reviled members have been building a culture of peace through an interracial and international

community This book is an invaluable resource for those seeking a new world of forgiveness respect for human rights nonviolence and peace **The Living Church** ,1995 **Church Helper** ,1916 **Grown-up Faith** Kevin Myers,2019-01-29 Why isn't life everything we expected it to be And why doesn't our faith resolve our frustrations and problems Kevin Myers the founding pastor of 12Stone Church a congregation of more than 30 000 active attenders near Atlanta believes the reason we don't experience a transformed life is that we fail to grow up spiritually We focus on developing physically intellectually emotionally and financially yet our faith remains immature and anemic In this powerful new book Myers offers a deep yet simple roadmap to a grown up faith through understanding the whole context of the Bible developing spiritual intimacy with God and gratefully embracing holy obedience As you understand the Bible and the big picture of God's story with humanity you begin to find answers to life's most compelling questions As you begin to understand God more your longing and ability to experience spiritual intimacy with him increases as does your desire to obey what God asks of you and your ability to follow through This is the way to the bigger life a life even better than you expected or even dreamed possible Transforming Masculinities in African Christianity Adriaan van Klinken,2016-02-17 Studies of gender in African Christianity have usually focused on women This book draws attention to men and constructions of masculinity particularly important in light of the HIV epidemic which has given rise to a critical investigation of dominant forms of masculinity These are often associated with the spread of HIV gender based violence and oppression of women Against this background Christian theologians and local churches in Africa seek to change men and transform masculinities Exploring the complexity and ambiguity of religious gender discourses in contemporary African contexts this book critically examines the ways in which some progressive African theologians and a Catholic parish and a Pentecostal church in Zambia work on a transformation of masculinities
