humor instead of polemical critiques The men women children and mice in The Candleberry Tales are family members employees clergy churchgoers and academics they engage their faith not in isolation but among the people they encounter Likewise Gospel parables are never about lone rangers They are about messy encounters between people And in the case of The Candleberry Tales encounters can be very messy indeed Whether readers are new to faith a longtime pilgrim or have become wholly disengaged this book can offer a fresh look at the Gospels and make audiences laugh at the same time
