The Underground Man Ross Macdonald,1996-11-26 *The Underground Man* is a detective novel of merciless suspense and tragic depth with an unfaltering insight into the moral ambiguities at the heart of California s version of the American dream There are certain books that bide their time like plants waiting decades to flower If a copy of *The Underground Man* a novel from 1971 by Ross Macdonald has been sitting on your shelf for ages unread and barely noticed try opening it now Suddenly it s a book in full bloom Anthony Lane *The New Yorker* As a mysterious fire rages through the hills above a privileged town in Southern California Lew Archer tracks a missing child who may be the pawn in a marital struggle or the victim of a bizarre kidnapping What he uncovers amid the ashes is murder and a trail of motives as combustible as gasoline If any writer can be said to have inherited the mantle of Dashiell Hammet and Raymond Chandler it was Ross Macdonald Between the late 1940s and his death in 1983 he gave the American crime novel a psychological depth and moral complexity

that his predecessors had only hinted at And in the character of Lew Archer Macdonald redefined the private eye as a roving conscience who walks the treacherous frontier between criminal guilt and human sin *The Galton Case* Ross Macdonald, 2011-02-23 Lew Archer returns in this gripping mystery widely recognized as one of acclaimed mystery writer Ross Macdonald's very best about the search for the long lost heir of the wealthy Galton family Almost twenty years have passed since Anthony Galton disappeared along with a suspiciously streetwise bride and several thousand dollars of his family's fortune Now Anthony's mother wants him back and has hired Lew Archer to find him What turns up is a headless skeleton a boy who claims to be Galton's son and a con game whose stakes are so high that someone is still willing to kill for them Devious and poetic *The Galton Case* displays MacDonald at the pinnacle of his form *Meanwhile There Are Letters* Suzanne Marrs, Tom Nolan, 2015-07-14 2016 Edgar Award Finalist 2016 Anthony Award Finalist 2016 Macavity Award Finalist In 1970 Ross Macdonald wrote a letter to Eudora Welty beginning a thirteen year correspondence between fellow writers and kindred spirits Though separated by background geography genre and his marriage the two authors shared their lives in witty wry tender and at times profoundly romantic letters each drawing on the other for inspiration comfort and strength They brought their literary talents to bear on a wide range of topics discussing each others publications the process of translating life into fiction the nature of the writer's block each encountered books they were reading and friends and colleagues they cherished They also discussed the world around them the Vietnam War the Nixon Carter and Reagan presidencies and the environmental threats facing the nation The letters reveal the impact each had on the other's work and they show the personal support Welty provided when Alzheimer's destroyed Macdonald's ability to communicate and write The editors of this collection who are the definitive biographers of these two literary figures have provided extensive commentary and an introduction They also include Welty's story fragment *Henry* which addresses Macdonald's disease With its mixture of correspondence and narrative *Meanwhile There Are Letters* provides a singular reading experience a prose portrait of two remarkable artists and one unforgettable relationship **Hard-boiled Sentimentality** Leonard Cassuto, 2009 Leonard Cassuto's cultural history of the hard boiled crime genre recovers the fascinating link between tough guys and sensitive women
