The Farm Two:

The Farm Engineer Robert Ritchie, 1849 *Successful two-man f*, 1922 **How to farm two acres profitably; including the management of the cow and the pig** John Robson (agriculturist.), 1860 Trees on the Farm Steven Charles Franzel, Sara J. Scherr, 2002-03-19 Most published books on agroforestry have focused on biophysical aspects There has been a lack of scientifically rigorous information about the socioeconomic features of agroforestry and the adoption of agroforestry practices by farmers This book fills that gap by assessing the adoption of selected agroforestry practices developed with African farmers describing methods and drawing out the implications for research development and policy The volume includes five case studies of research conducted in Kenya and Zambia to evaluate the adoption potential of agroforestry The cases illustrate methods of farm and village technology design testing and analysis that are applicable to a wide range of natural resource management practices Along with the case studies the contents also include chapters on methods for assessing agroforestry adoption potential promoting new agroforestry technologies policy lessons from on farm research and assessing adoption potential lessons learned and future directions **Two Lives in Uncertain Times** Wilma Iggers, Georg Iggers, 2006-10 Published in Association with the German Historical Institute Washington D C Wilma and Georg Iggers came from different backgrounds Wilma from a Jewish farming family from the German speaking border area of Czechoslovakia Georg from a Jewish business family from Hamburg They both escaped with their parents from Nazi persecution to North America where they met as students As a newly married couple they went to the American South where they taught in two historic Black colleges and were involved in the civil rights movement In 1961 they began going to West Germany regularly not only to do research but also to further reconciliation between Jews and Germans while at the same time in their scholarly work contributing to a critical confrontation with the German past After overcoming first apprehensions they soon felt G ttingen to be their second home while maintaining their close involvements in America After 1966 they frequently visited East Germany and Czechslovakia in an attempt to build bridges in the midst of the Cold War The book relates their very different experiences of childhood and adolescence and then their lives together over almost six decades during which they endeavored to combine their roles as parents and scholars with their social and political engagements In many ways this is not merely a dual biography but a history of changing conditions in America and Central Europe during turbulent times Federal Register , 1948 *New York Court of Appeals.
