The Farthest Shore The Earthsea Cycle 3:

The Farthest Shore Ursula K. Le Guin, 2004-11-23 A young prince joins forces with a master wizard on a journey to discover a cause and remedy for the loss of magic in Earthsea **Earthsea 03** Ursula K. Le Guin, 2001-09 Darkness threatens to overtake Earthsea As the world and its wizards are losing their magic Ged powerful Archmage wizard and dragonlord embarks on a sailing journey with young prince Arren to discover the cause of these evil disturbances and to restore magic to the land **The Farthest Shore** Ursula Le Guin, 1972 The Farthest Shore Ursula K. Le Guin, 2012-09-11 When the prince of Enlad declares the wizards have forgotten their spells Ged sets out to test the ancient prophecies of Earthsea **Fantastic Spiritualities** J'annine Jobling, 2010-07-01 In this work Jobling argues that religious sensibility in the Western world is in a process of transformation but that we see here change not decline and that the production and consumption of the fantastic in popular culture offers an illuminating window onto spiritual trends and conditions She examines four major examples of the fantastic genre the Harry Potter series Rowling His Dark Materials Pullman Buffy the Vampire Slayer Whedon and the Earthsea cycle Le Guin demonstrating that the spiritual universes of these four iconic examples of the fantastic are actually marked by profoundly modernistic assumptions raising the question of just how contemporary spiritualities often deemed postmodern navigate philosophically the waters of truth morality authority selfhood and the divine Jobling tackles what she sees as a misplaced disregard for the significance of the fantasy genre as a worthy object for academic investigation by offering a full length thematic comparative and cross disciplinary study of the four case studies proposed chosen because of their significance to the field and because these books have all been posited as exemplars of a postmodern religious sensibility This work shows how attentiveness to spiritual themes in cultural icons can offer the student of theology and religions insight into the framing of the moral and religious imagination in the late twentieth and twenty first centuries and how this can prompt traditional religions to reflect on whether their own narratives are culturally framed in a way resonating with the signs of the times *Island Genres, Genre Islands* Ralph Crane, Lisa Fletcher, 2017-02-03 *Island Genres Genre Islands* moves the debate about literature and place onto new ground by exploring the island settings of bestsellers Through a focus on four key genres crime fiction thrillers popular romance fiction and fantasy fiction Crane and Fletcher show that genre is fundamental to both the textual representation of real and imagined islands and to actual knowledges and experiences of islands The book offers broad comparative readings of the significance of islandness in each of the four genres as well as detailed case studies of major authors and texts These include chapters on Agatha Christie's islands the role of the island in Bondspace the romantic islophilia of Nora Roberts's Three Sisters Island series and the archipelagic geography of Ursula Le Guin's Earthsea Crane and Fletcher's book will appeal to specialists in literary studies and cultural geography as well as in island studies **A Cautionary Tale** Susan Wilson, 2022-12-07 *A Cautionary Tale* By Susan Wilson This is a book purporting to impart wisdom to those who venture forth on uncertain paths

with no clue of how to know when or where to look for signs guideposts really for the supernatural world and how it manifests itself The wise old man or woman passing on knowledge and experience uses the natural world around us to show the way He draws on crows sounds the moon and the time of year when leaves are dry and crackle underfoot A Cautionary Tale shows that when all these signs are manifest is when strange things happen Witches might be seen to fly through the air Spooky beings lurk about and usually calm animals act strangely Most of all take care should you enter a cemetery Graveyards hold the dead but are they all there Or do they walk among us Time is turned on its head Especially in this time of pandemic many children are exposed to the reality of death This story can give them pause a moment of reflection on that reality for themselves It urges them to take steps necessary to stay safe and assures them they remain among the living

Teaching Young Adult Literature Today Judith A. Hayn, Jeffrey S. Kaplan, 2012-03-15 Teaching Young Adult Literature Today introduces the reader to what is current and relevant in the plethora of good books available for adolescents More importantly literary experts illustrate how teachers everywhere can help their students become lifelong readers by simply introducing them to great reads smart insightful and engaging books that are specifically written for adolescents Hayn Kaplan and their contributors address a wide range of topics how to avoid common obstacles to using YAL selecting quality YAL for classrooms while balancing these with curriculum requirements engaging disenfranchised readers pairing YAL with technology as an innovative way to teach curriculum standards across all content areas Contributors also discuss more theoretical subjects such as the absence of lesbian gay bisexual transgender and questioning LGBTQ young adult literature in secondary classrooms and contemporary YAL that responds to the changing expectations of digital generation readers who want to blur the boundaries between page and screen

Animals in Young Adult Fiction Walter Hogan, 2009-07-01 Of the many themes occurring in young adult literature one that bears more extensive exploration is the adolescent animal connection Although substantial critical commentary has addressed children's animal stories and animals in adult fiction very few studies have been devoted to adolescent animal encounters In Animals in Young Adult Fiction Walter Hogan examines several hundred novels and stories to explore the ways in which animals are represented in these works In addition to providing an historical survey Hogan

looks at both realistic fiction and speculative works including fantasy supernatural horror and science fiction Hogan reviews stories that feature wild animal encounters stories centered on relationships with horses dogs and other working and performing animals and those featuring relationships with pets Drawing upon established scholarship this book examines human animal relationships from multiple angles making it an invaluable resource for librarians teachers and students of children s and young adult literature
