The Fellow Craft Degree In Freemasonry:

The Fellowcraft Handbook Darrell Jordan, 2018-09-19 Those who have read the first volume of this series which deals with the E A Degree will realize that our ceremonies have a deep inner meaning and teach profound spiritual lessons seldom realized by the average Mason In the second volume we are dealing with the degree of Life in its broadest sense just as in the first degree we were dealing with the degree of birth and as life in reality is educational for the Soul we are not surprised to find that throughout the whole degree the subject of education is more or less stressed We should however realize that each of the degrees builds on the one which has gone before and the ingenuity with which the lessons inculcated in the first degree are carried forward and developed in the succeeding degrees is one of the most striking characteristics of our Masonic ritual
