The Films Of Robert Bresson Movie Paperbacks:

The Films of Robert Bresson Ian Cameron, 1969 The films of Robert Bresson Robert Bresson, 1969 Robert Bresson Tony Pipolo, 2010-01-19 Perhaps the most highly regarded French filmmaker after Jean Renoir Robert Bresson created a new kind of cinema through meticulous refinement of the form s grammatical and expressive possibilities In thirteen features over a forty year career he held to an uncompromising moral vision and aesthetic rigor that remain unmatched Robert Bresson A Passion for Film is the first comprehensive study to give equal attention to the films their literary sources and psycho biographical aspects of the work Concentrating on the films cinematographic imagistic narrative and thematic structures Pipolo provides a nuanced analysis of each film including nearly 100 illustrations elucidating Bresson s unique style as it evolved from the impassioned *Les Anges du p che* to such disconsolate meditations on the world as *The Devil Probably* and *L Argent* Special attention is also given to psychosexual aspects of the films that are usually neglected Bresson has long needed a thoroughgoing treatment by a critic worthy to the task he gets it here From it emerges a provocative portrait of an extraordinary artist whose moral engagement and devotion to the craft of filmmaking are without equal Notes on the Cinematograph Robert Bresson, 2016-11-15 The French film director Robert Bresson was one of the great artists of the twentieth century and among the most radical original and radiant stylists of any time He worked with nonprofessional actors models as he called them and deployed a starkly limited but hypnotic array of sounds and images to produce such classic works as *A Man Escaped* *Pickpocket* *Diary of a Country Priest* and *Lancelot of the Lake* From the beginning to the end of his career Bresson dedicated himself to making movies in which nothing is superfluous and everything is always at stake *Notes on the Cinematograph* distills the essence of Bresson s theory and practice as a filmmaker and artist He discusses the fundamental differences between theater and film parses the deep grammar of silence music and noise and affirms the mysterious power of the image to unlock the human soul This book indispensable for admirers of this great director and for students of the cinema will also prove an inspiration much like Rilke s *Letters to a Young Poet* for anyone who responds to the claims of the imagination at its most searching and rigorous Film - An International Bibliography Malte Hagener, Michael Töteberg, 2016-12-16 Kommentierte Bibliografie Sie gibt Wissenschaftlern Studierenden und Journalisten zuverlässig Auskunft über rund 6000 internationale Veröffentlichungen zum Thema Film und Medien Die vorgestellten Rubriken reichen von Nachschlagewerk über Filmgeschichte bis hin zu Fernsehen Video Multimedia *Robert Bresson* Keith Reader, 2019-01-04 This book provides a comprehensive introduction to the work of Robert Bresson one of the most respected and acclaimed directors in the history of cinema The first monograph on his work to appear in English for many years dealing not only with his thirteen feature length films but also his little seen early short *Affaires publiques* and his short treatise *Notes on cinematography* The films are considered in chronological order using a perspective that draws variously on spectator theory Catholic mysticism gender theory and Lacanian psychoanalysis The

major critical responses to his work from the adulatory to the dismissive are summarized and analyzed The work includes a full filmography and a critical bibliography Catalogue of the Book Library of the British Film Institute, London, England:
