The Final Buddha:

Postponement in Perpetuality: the Buddha's Prophecy of the End of Buddhism and Its Transmission in East Asia

Yi Liu, 2025-03-27 The Buddha prophesied that his teachings would vanish a few hundred years after his passing creating an existential dilemma for Chinese Buddhists on the brink of Buddhism's disappearance This book examines the origins of this prophecy and the famous end of Buddhism belief in Indian and Central Asian Buddhism and the centuries long struggle of Chinese Buddhists to interpret and adapt this prophecy This resulted in the unique East Asian Buddhist belief of mofa the final age of Buddhism which profoundly influenced medieval China and Japan **The Buddha** Vanessa R.

Sasson, Kristin Scheible, 2023 Retellings of the Buddha's life story have animated and sustained Buddhist thought and practice through some 2 500 years of history To this day Buddhist holidays and rituals are pinned to the arc of his biography celebrating his birth awakening teaching and final nirvana His story is the model that exemplary Buddhists follow Often there is a moment of insight akin to the Buddha's experience with the Four Sights followed by a great departure from home and a period of searching that it is hoped will lead to final awakening The Buddha's story is not just the Buddha's story it is the story of Buddhism In this book twelve leading scholars of South Asian texts and traditions articulate the Buddha life blueprint the underlying and foundational pattern that holds the life story of a Buddha together They retell the episodes of Buddha Gautama's extended life story while keeping in mind the cosmic paradigmatic arc of his narrative The contributors have dedicated their careers to exploring hagiographical materials each applying their own methodological and theoretical interests to shed new light on the enduring story of Buddhism Using multiple perspectives voices and sources this volume underscores the multivalent centrality of this story The book will be an invaluable resource to practicing Buddhists and students of Buddhist Studies to help them engage in the most foundational story of the tradition *The Paccekabuddha*

Kloppenborg, 2023-07-31 **Text as Father** Alan Cole, 2005-08-29 This beautifully written work sheds new light on the origins and nature of Mahayana Buddhism with close readings of four well known texts the Lotus Sutra Diamond Sutra Tathagatagarbha Sutra and Vimalakirtinirdesa Treating these sutras as literary works rather than as straightforward philosophic or doctrinal treatises Alan Cole argues that these writings were carefully sculpted to undermine traditional monastic Buddhism and to gain legitimacy and authority for Mahayana Buddhism as it was veering away from Buddhism's older oral and institutional forms His sophisticated and sustained analysis of the narrative structures and seductive literary strategies used in these sutras suggests that they were specifically written to encourage devotion to the written word instead of other forms of authority be they human institutional or iconic **The Evolution Of Buddha** Dr. Ashish Ambedkar, The Evolution of Buddha is a compelling journey through the life transformation and enduring legacy of Siddhartha Gautama who became known as the Buddha the Awakened One This book not only explores the historical evolution of Buddha's life and teachings but also the philosophical and cultural transformation of Buddhism over time From his birth as a sheltered prince

to his renunciation of material life and ultimately to his enlightenment under the Bodhi tree this book traces the personal evolution of the Buddha It then examines how his image message and meaning have evolved through different schools of Buddhism from Theravada's historical teacher to Mahayana's divine bodhisattva and Vajrayana's mystical guide Rich with insights from history art philosophy and modern interpretations The Evolution of Buddha offers both scholars and spiritual seekers a deeper understanding of how one man's quest for truth became a global spiritual movement **In the Buddha's**

Words Bodhi,2005-08-10 This landmark collection is the definitive introduction to the Buddha's teachings in his own words The American scholar monk Bhikkhu Bodhi whose voluminous translations have won widespread acclaim here presents selected discourses of the Buddha from the Pali Canon the earliest record of what the Buddha taught Divided into ten thematic chapters In the Buddha's Words reveals the full scope of the Buddha's discourses from family life and marriage to renunciation and the path of insight A concise informative introduction precedes each chapter guiding the reader toward a deeper understanding of the texts that follow In the Buddha's Words allows even readers unacquainted with Buddhism to grasp the significance of the Buddha's contributions to our world heritage Taken as a whole these texts bear eloquent testimony to the breadth and intelligence of the Buddha's teachings and point the way to an ancient yet ever vital path Students and seekers alike will find this systematic presentation indispensable **Mountain Doctrine** Dol-bo-ba

Shay-rap-gyel-tsen,2017-08-22 Translated here for the first time into any language Mountain Doctrine is a seminal fourteenth century Tibetan text on the nature of reality The author Dol bo ba Shay rap gyel tsen was one of the most influential figures of that dynamic period of doctrinal formulation and his text is a sustained argument about the buddha nature also called the matrix of one gone thus Dol bo ba recognizes two important types of emptiness self emptiness and other emptiness and shows how other emptiness is the actual ultimate truth He justifies this controversial formulation by arguing that it was the favored system of all the early outstanding figures of the Great Vehicle The translator's introduction includes a short biography of Dol bo ba and an exposition of nine focal topics in his religious philosophy Note The hardcover edition of Mountain Doctrine includes a Detailed Outline in Tibetan that is omitted in the eBook edition **The Buddha** Donald S.

Lopez,2025-09-02 From one of the world's leading Buddhist scholars a deeply researched and unprecedented portrait of the Buddha Like Jesus and Muhammad the Buddha is one of the most significant figures in history But is he a historical figure In this revelatory book Donald S Lopez Jr explores this question and considers what is at stake in the answer Using stories of the Buddha's life drawn from the earliest biographies the work of other scholars and his own research Lopez traces a single narrative from the Buddha's birth to his enlightenment to his passage into nirvana Unlike those who transformed the Buddha into a rationalist philosopher Lopez seeks to remythologize the Buddha restoring the rainbow that encircled the Buddha for centuries radiating his teachings around the world Complementing traditional Buddhist sources with insights from Gustave Flaubert Oscar Wilde George Eliot and others Lopez produces a rich accessible and unprecedented portrait of one of the
