

THE FINGERPICKING GUITAR OF KELLY JOE PHELPS

Kelly Joe Phelps' soulful singing and startling guitar technique have helped create an ever-growing fan base and rave reviews in publications as diverse as *Billboard*, *Blues Wire*, *Downbeat* and *People*. After cutting three groundbreaking records of guitar-and-voice blues that earned him a reputation as one of the best living slide guitarists, Kelly Joe put aside his slide in favor of straight fingerpicking for his Rykodisc CD, "Sky Like A Broken Clock." This was also his first recording in a band setting, recorded with bassist Larry Taylor (Tom Waits), and drummer Billy Conway (Morphine). A patient and articulate instructor, Kelly Joe spent many years teaching guitar, banjo and bass both privately and in college courses.

Kelly Joe Phelps explores the fingerpicking technique that has helped make him one of the most powerful and compelling performers on today's acoustic music scene. He has chosen six of his most popular pieces to demonstrate how he builds fingerpicking arrangements and improvisations to communicate his unique musical vision.

Kelly Joe takes apart the straightforward fingerpicking song *Tommy* and the Delta-style blues tune *Sally Ruby*, both in standard tuning. He then shows you how you can "change the strings to whatever you want and find musical magic," teaching *Capman Bootman*, *River Rat Jimmy* and *Beggar's Oil* in various alternate tunings. You'll learn how to improvise melodically and create rich chord voicings for these riveting songs in each of the tunings he explores.

Among the many revelations of this lesson is the in-depth look at how Kelly Joe takes a traditional gospel song, *I Am the Light of This World* in open G, and infuses it with his unique energy and passion. He plays it in its traditional form, then demonstrates how he adds his own touch by changing both the guitar part and his vocal approach.
