

The spirit in Ivy ran high after the problems of 1940-41. An Ivy man had engineered the first 100% bicker as Chairman of the UICC, and the Ivy Board had played a leading role in neutralizing the initial attack on free elections. The First Hundred Years Of The Ivy Club 1879-1979 A Centennial History:

Princeton in the Nation's Service P. C. Kemeny, 1998-10-29 This book argues against the conventional idea that Protestantism effectively ceased to play an important role in American higher education around the end of the 19th century. Employing Princeton as an example, the study shows that Protestantism was not abandoned but rather modified to conform to the educational values and intellectual standards of the modern university. Drawing upon a wealth of neglected primary sources, Kemeny sheds new light on the role of religion in higher education by examining what was happening both inside and outside the classroom and by illustrating that religious and secular commitments were not neatly divisible but rather commingled.
