

A SUMMARY OF THE FIRST SEVEN ECUMENICAL COUNCILS

"They delivered the dogmas reached by the apostles and elders [at council] in Jerusalem for the people to obey." - Acts 16:4

See CCC 456-483

HERESIES

"Who do people say that the Son of Man is?" - Matt. 16:13

Arianism: The Father created the Son of God: "There was a time when the Son did not exist". Therefore, Jesus was not God, only a "substance" similar to the Father; a demi-god or super angel, but not perfect mediator.

Pneumatomachi: Claimed the Holy Spirit is a creature, not God; **Apollinarism:** The Eternal Logos replaced the soul. Therefore, Christ had a divine mind but no rational soul (intellect).

Nestorianism: Jesus was two separate persons, human & divine working together. Mary was mother only of the human person: Mother of the Christ.

Monophysitism: An over-reaction against Nestorianism's doctrine that Christ was only human. It asserted Jesus's humanity was not assumed by divinity but absorbed, like sugar in water. Therefore, Jesus has one nature: divine.

Various Errors (Nestorianism): Tried to argue again that Jesus' humanity was a distinct personal subject.

Monothelitism: Asserted Jesus had only a single operation: a divine will, but not a human will.

Iconoclasm: The Byzantine emperor forbid veneration of holy icons possibly influenced by Muslim antipathy to images. Iconoclasts destroyed images of Christ and the saints claiming they were idolatrous.

CHURCH COUNCILS / CORRECT DOCTRINE

"But who do you say that I AM?" - Matt. 16:15

Nicaea I (325 A.D.): Produced the Creed confessing the Son, Image & Word of the Father, is eternally-begotten, not made, consubstantial (the same divine essence) with the Father; Christ is true God from true God, only Mediator [Hb. 1:3; Tl. 2:13].

Constantinople I (381 A.D.): The Holy Spirit is the "Lord, the giver of life, who proceeds from the Father". The Spirit is equally adored with the Father & Son; The Lord Jesus is fully man (human intellect) capable of growing in human knowledge [Lk. 2:52].

Ephesus (431 A.D.): Jesus is one divine person incarnated of the Virgin Mary: only begotten Son of the Father and also true Son of Man (Mary). Therefore, Mary is rightfully called *Theotokos* (God-bearer) or Mother of God [Lk. 1:43].

Chalcedon (451 A.D.): The Son of God assumed a sinless human nature without altering it (fully man), nor did his humanity compromise His divinity (fully God). Therefore, Christ has two distinct, complete natures united inseparably but not confused in his divine personhood [Co. 2:9].

Constantinople II (553 A.D.): Reaffirmed that Jesus is one divine personal subject (hypostasis) who did not cease being God as a man.

Constantinople III (681 A.D.): Jesus has a divine will he possesses in common with the Father & Spirit and a human will freely obedient to the Father [Lk.22:42] and to his parents [Lk. 1:51].

Nicaea II (787 A.D.): Adoration is reserved to God alone (whose essence is transcendent), but since the Son was the visible, finite "icon of the invisible God, the firstborn over all creation" [Co. 1:15]. He and his Body (saints) can be depicted in images which are honored (not adored) to transfer respect over to the person(s) they represent. Thus icons testify Christ had a true Body capable of being seen [1 Jn. 1:1], and his visible ministry continues through the Church [Co. 1:18; 1 Co. 4:1].

The First Seven Ecumenical Councils 325787 Their History And Theology

Fr. Thomas Crean

The First Seven Ecumenical Councils 325-787 Their History And Theology:

The First Seven Ecumenical Councils (325-787) Leo Donald Davis, 1990 By the time the first ecumenical council opened at Nicaea in 325 Rome as a city had flourished for a thousand years and as an Empire regarded as eternal and universal had dominated 50 60 million inhabitants of the Mediterranean littoral and western Europe for over three hundred This book illustrates the contributions of these councils in the development and formulation of Christian beliefs **The First Seven Ecumenical Councils (325-787)** Leo Donald Davis, 1987 [The First Seven Ecumenical Councils \(325-787\)](#) Leo Donald Davis, 1987-01-01 **The First Seven Ecumenical Councils (325-787)** Leo Donald Davis (s.j.), 1987 *The First Seven Ecumenical Councils (325-787)* Leo D. Davis, 2017-03-15 This unique work no other work yet available in English treats this subject illustrates the contribution of these Councils in the development and formulation of Christian beliefs It then shows how their legacies lingered throughout the centuries to inspire or haunt every generation **Vindicating the Filioque: The Church Fathers at the Council of Florence** Fr. Thomas Crean, 2023-06-27 The Catholic doctrine of the Filioque that the Holy Spirit eternally proceeds from the Father and the Son has historically been a source of contention between the Western Church and the Eastern Church While recent efforts to reach ecumenical agreement have claimed to overcome this divide their proposed solutions not only overlook but overturn the consensus reached by West and East alike at the fifteenth century Council of Florence which defined the doctrine and clarified its rootedness in the teaching of the Fathers of the Church In Vindicating the Filioque Thomas Crean O P mounts a robust ecumenical defense of the truth of this doctrine and the authority of its Florentine definition building his case on principles common to both Catholics and Orthodox The first part of the study gives a careful presentation of patristic testimony concerning the procession of the Spirit material central to the conciliar debates at Florence and of abiding theological consequence In the second part Crean explores the nature of ecumenical councils drawing on the first seven councils to establish criteria for conciliar ecumenicity and authority that can be used to evaluate the status of the Council of Florence The third part describes the Council of Florence itself showing how it fulfils the criteria for an ecumenical council and replying to objections against its authority Combining thorough study of patristic texts sensitivity to theological common ground and historical attentiveness to the acta of the council Vindicating the Filioque demonstrates the soundness of the Florentine definition of the Holy Spirit's procession and its importance as a basis for lasting unity of East and West **The Papacy: Revisiting the Debate Between Catholics and Orthodox** Erick Ybarra, 2022-11-22 The Lord Jesus Christ intended his kingdom present on earth the Church of God to be one holy catholic and apostolic Prior to the Protestant Reformation in the sixteenth century history tells of the most egregious division in the Church between the Latin West and Byzantine East in AD 1054 and following How can it be that Catholics and Orthodox share a thousand years of ecclesial life together in one faith sacramental order and hierarchical government only to have that bond of communion broken Historians and theologians throughout the years have spilled much

ink in recounting the causes and effects of this dreadful and heart wrenching division and among the many debates that exist between Catholics and Orthodox none are as vital to the task of reconciliation as the subject of the papacy In *The Papacy Revisiting the Debate between Catholics and Orthodox* Erick Ybarra examines sources from the first millennium with a fresh look at how methodology and hermeneutics plays a role in the reading of the same texts In addition he conducts a detailed investigation into the most significant points of history in order to show what was clearly accepted by both East and West in their years of ecclesiastical unity In light of this clear evidence the reader of *The Papacy* is free to decide whether contemporary Catholicism or Eastern Orthodoxy has maintained the heritage of the first millennium on the understanding of the Papal office

The Image of the Unseen God Hosinski, Thomas E.,2017-08-17

The Shape of Sola Scriptura

Keith A. Mathison,2001 In what shape do we find the doctrine of sola Scriptura today Many modern Evangelicals see it as a license to ignore history and the creeds in favor of a more splintered approach to the Christian living In the past two decades Roman Catholic and Eastern Orthodox apologists have strongly tried to undermine sola Scriptura as unbiblical unhistorical and impractical But these groups rest their cases on a recent false take on sola Scriptura The ancient medieval and classical Protestant view of sola Scriptura actually has a quite different shape than most opponents and defenders maintain Therein lies the goal of this book an intriguing defense of the ancient and classical Protestant doctrine of sola Scriptura against the claims of Rome the East and modern Evangelicalism The issue of sola Scriptura is not an abstract problem relevant only to the sixteenth century Reformation but one that poses increasingly more serious consequences for contemporary Christianity This work by Keith Mathison is the finest and most comprehensive treatment of the matter I ve seen I highly recommend it to all who embrace the authority of sacred Scripture R C Sproul Ligonier Ministries

Deconstructing Sacramental

Theology and Reconstructing Catholic Ritual Joseph Martos,2015-05-12 Catholic sacramental doctrine has lost much of its credibility Baptized people leave the church adolescents stop attending shortly after they are confirmed supposedly indissoluble marriages regularly dissolve few go to confession and many do not believe in transubstantiation Drawing upon his decades long study of the sacraments Martos reveals how teachings that seemed rooted in the scriptures and Catholic life have become unmoored from the contexts in which they arose and why seemingly eternal truths are actually historically relative After carefully constructing Catholic teaching from the church s own documents he deconstructs it by demonstrating how biblical passages were misconstrued by patristic authors and how patristic writings were misunderstood by medieval scholastics The long process of misinterpretation culminated in the dogmatic pronouncements of the Council of Trent which continues to dominate Catholic thinking about the church s religious ceremonies If the sacraments are released from their dogmatic baggage Martos believes that the spiritual realities they symbolize can be celebrated in any human culture without being tied to their traditional rites

The First Seven Ecumenical Councils 325787 Their History And Theology Introduction

In the digital age, access to information has become easier than ever before. The ability to download The First Seven Ecumenical Councils 325787 Their History And Theology has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The First Seven Ecumenical Councils 325787 Their History And Theology has opened up a world of possibilities. Downloading The First Seven Ecumenical Councils 325787 Their History And Theology provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The First Seven Ecumenical Councils 325787 Their History And Theology has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The First Seven Ecumenical Councils 325787 Their History And Theology. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The First Seven Ecumenical Councils 325787 Their History And Theology. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The First Seven Ecumenical Councils 325787 Their History And Theology, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The First Seven Ecumenical Councils 325787 Their History And Theology has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF

downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The First Seven Ecumenical Councils 325787 Their History And Theology Books

1. Where can I buy The First Seven Ecumenical Councils 325787 Their History And Theology books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The First Seven Ecumenical Councils 325787 Their History And Theology book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
