20 Years to Life... a Memoir T. T Hartman, 2012-08 I was born on Flag Day 1935 the same year Social Security was enacted Consequently I have always felt a tug of birthday patriotism and as a child I secretly hoped the flags might be flying for my benefit Growing up with the SS system has been a comfort as well I didn't mind contributing to the pot all during my working years and I certainly appreciate the pay out during retirement Graduating from journalism school and working for ten years as a newspaper reporter and magazine editor gave me a chance to write about and promote what's right with America My generation saw dramatic changes throughout the 30s 40s and 50s which paralleled my coming of age over a 20 year span Recounting some of these events and how they impacted me as an only child with a bit of an attitude is the theme of the memoir
