The Leadership Pill Kenneth Blanchard, Marc Muchnick, 2012-12-11 How can you become a more successful manager a stronger team leader and a motivator who gets the best results from a group Ken Blanchard's inspiring new book provides the answer In a beguiling sometimes humorous fashion THE LEADERSHIP PILL conjures up a tantalizing possibility What if there was a pill that could stimulate the natural powers of the mind and body to provide leadership In the story an amazing new pill heightens one leader's powers but contains the wrong ingredients stimulating him in a short sighted direction He is coercive obsessed with immediate results and drives his team relentlessly until after a brief spike in performance they suffer early burnout In contrast the Effective Leader working without a pill inspires and supports his team He supplies the right ingredients earning the respect and trust of his team with a blend of integrity partnership and affirmation Ultimately it is recognised that there is more to effective leadership than a wonder pill Destined to be a transforming experience for thousands of readers THE LEADERSHIP PILL shows how to apply the right techniques no matter how pressured a business situation
