The Family Of God The Meaning Of Church Membership:

The Family of God Leroy Lawson, 1997-03 LeRoy Lawson answers questions as he considers what happens when one becomes a part of the body of Christ He discusses what it means to become involved with other believers with the work of the church Five part set including book *The Family of God* E. LeRoy Lawson, LeRoy Lawson, 1981 *Newly Born In The Family Of God* Pastor Anthony L. Beaubrun Jr:El, 2024-05-15 This book is instructional guide on to become complete in the family of God It also presents the true gospel as Jesus explained to Nicodemus This book summarizes Jesus s explanation to all living men about the creation of God and emphasizes not only the importance of being born into the world but also the greater importance of being reborn into the family of Jesus Christ As a reminder I would like you to know that the true gospel of Christ teaches men how to inherit the kingdom of God Jesus was elucidating the true gospel of the kingdom to Nicodemus without omitting anything In John 3 3 He said You must be born again spiritually born of water and fire to inherit the kingdom Therefore the three steps that Jesus gave to Nicodemus are as follows 1 You must repent 2 You must be baptized in water and fire 3 You must receive the Holy Spirit of God These are the three steps you must take to become part of the family of God Without these three steps if you call yourself a Christian but have not taken them you are not there yet These are the required steps to be called a Christian Jesus did not suggest other steps He did not ask you to buy a plane ticket All He asked for are these three steps This is the gospel of the kingdom according to Jesus Christ our Lord which needs to be followed to be part of the family of God *Understanding Spiritual Power* Marguerite G. Kraft, 2003-08-18 While secularized cultures of the West have a great deal of difficulty dealing with the spiritual as a real non imaginary dimension of life most of the world s peoples do not Having worked and studied among peoples of several non Western societies Marguerite Kraft is convinced that coming to terms with spiritual power presents one of the greatest challenges for all those who work among non Westerners in pastoral or mission situations *Understanding Spiritual Power* addresses the dynamics of the felt need for spiritual power in relation to a people s assumptions values and commitments in order to provide a foundation for meaningful Christian witness in power oriented societies The Western Church Kraft argues under pressure from modern rationalism has largely lost awareness of God s power and position vis a vis the spiritual realm so important in other societies Indeed this loss of power could be one reason for the interest in Eastern and New Age philosophies on the part of Westerners disillusioned with the modern worldview Having worked among the Kamwe in Nigeria the Thai in Asia and the Navajo in North America Kraft focuses on specific ways in which people in these three societies view reality and suggests how the gospel can be articulated in forms they can understand *Understanding Spiritual Power* offers a theological as well as a practical perspective on spiritual power By exploring living societies providing examples and case studies and offering specific strategies this book makes a powerful case for rethinking and recasting traditional missiological methods At the same time it helps Western Christians with ears to hear question whether they might not learn as much from those with whom they work
