Re-examining the Holocaust Through Literature Aukje Kluge, Benn E. Williams, 2009 In the late 1980s Holocaust literature emerged as a provocative but poorly defined scholarly field The essays in this volume reflect the increasingly international and pluridisciplinary nature of this scholarship and the widening of the definition of Holocaust literature to include comic books fiction film and poetry as well as the more traditional diaries memoirs and journals Ten contributors from four countries engage issues of authenticity evangelicalism morality representation personal experience and wish fulfillment in Holocaust literature which have been the subject of controversies in the US Europe and the Middle East Of interest to students and instructors of antisemitism national and comparative literatures theater film history literary criticism religion and Holocaust studies this book also contains an extensive bibliography with references in over twenty languages which seeks to inspire further research in an international context

where Anne Frank's Diary left off and gives voice to the children we lost. On March 28, 1944, six-year-old Tati and her four-year-old sister Andra were roused from their sleep and arrested. Along with their mother Mira, their aunt, and cousin Sergio, they were deported to Auschwitz. Over 230,000 children were deported to the camp where Josef Mengele, the Angel of Death, performed deadly experiments on them. Only a few dozen children survived: Tati and Andra among them. Tati, Andra, and Sergio were separated from their mothers upon arrival. But Mira was determined to keep track of her girls. After being tattooed with their inmate numbers, she made them memorize her number and told them to always remember her name. In keeping this promise to their mother, the sisters were able to be reunited with their parents when WWII ended. An unforgettable narrative of the power of sisterhood in the most extreme circumstances and of how a mother's love can overcome the most impossible odds, *The Bucci Sisters* memoir is a timely reminder that separating families is an inexcusable evil.
