The Fateful Lightning Civil War Eyewitness Reports

Harold Elk Straubing

The Fateful Lightning Civil War Eyewitness Reports:

The fateful lightning Harold Elk Straubing, 1985 **The Fateful Lightning** Harold Elk Straubing, 1987 **The Fateful Lightning** Kathleen Diffley, 2021-11

The Fateful Lightning is the second volume of Kathleen Diffley's trilogy on Civil War magazine fiction. While her first book of the trilogy *Where My Heart Is Turning Ever* charted the role of magazine fiction from the Northeast in grounding the rites of citizenship following the end of the Civil War, *The Fateful Lightning* traces the sectional conflicts in a postwar nation and how region shaped the political agendas of these postwar editorials. Diffley argues that the journals she examines present stories that give unpredictable results of sectional conflict and commemorate the Civil War differently from the northeastern publishing establishments. She weaves this argument through her analysis of four literary journals: Baltimore's *Southern Magazine*, Charlotte's *The Land We Love*, Chicago's *Lakeside Monthly*, and San Francisco's *Overland Monthly*. Diffley uses a method of literary analysis that looks at what is not only present in the text but also present throughout its historically informed context, gleaned cultural meanings from what the stories also filter out. Coupling this literary analysis with city studies, Diffley's innovative approach demonstrates how these editorials offer varying gauges of continued political unrest, rising social opportunity, and conflicting commemorative investments as Reconstruction began to unfold.

The Wounded River Peter Josyph, 2012-01-01

The Wounded River takes the reader back more than 130 years to reveal a marvelous first-hand account of nineteenth-century warfare. In the process, the work cuts the legends and mythology that have come to frame and define accounts of America's bloodiest war. Of equal significance, Peter Josyph's editorial work on this superb collection of letters from the Western Americana Division of Yale University's Beinecke Rare Book and Manuscripts Library enhances and clarifies Lauderdale's experiences as a surgeon aboard the U.S. Army hospital ship *D A January*. The reader looks on while Lauderdale, a New York civilian contract surgeon, operates on hundreds of Confederate and Union wounded. The young doctor's clear writing style and his great compassion for these unfortunate men, whose bodies were ripped apart by bullets, shell fragments, and bayonets, permits us to catch a disturbing glimpse of what modern warfare does to humanity. Finally, we learn of Lauderdale's motives for volunteering, his impressions of the hospital ship *D A January*, Confederate morale, the Abolitionist cause, and black slavery. *The Wounded River* is a must-read for anyone interested in the real American Civil War.

The Greatest Escape Douglas Miller, 2021-02-01

The Greatest Escape: A True American Civil War Adventure tells the story of the largest prison breakout in U.S. history. It took place during the Civil War when more than 1,200 Yankee officers were jammed into Libby, a special prison considered escape-proof in the Confederate capitol of Richmond, Virginia. A small group of men, obsessed with escape, mapped out an elaborate plan, and one cold and clear night, 109 men dug their way to freedom. Freezing, starving, clad in rags, they still had to travel 50 miles to Yankee lines and safety. They were pursued by all the white people in the area, but every Black person they encountered was their friend. In every instance, slaves risked their lives to help these Yankees, and their journey was aided by a female-led Union spy network.

Since all the escapees were officers they all could read and write well Over 50 of them would publish riveting accounts of their adventures This is the first book to weave together these contemporary accounts into a true to life narrative Much like a Ken Burns documentary this book uses the actual words the prisoners recorded more than 150 years ago as found in their many diaries and journals Fateful Lightning Allen C. Guelzo, 2012-05-11 Fateful Lightning is a mid length survey of the American Civil War In this revision of his 1994 The Crisis of the American Republic leading Civil War scholar Allen C Guelzo covers a broad range of topics including politics religion gender race diplomacy and technology Unlike other Civil War surveys the book concludes with substantial coverage of the postwar Reconstruction and the modern day legacy of the Civil War in American literature and popular culture The Fateful Lightning Jeff Shaara, 2015-06-02 NEW YORK TIMES BESTSELLER From Jeff Shaara comes the riveting final installment in the Civil War series that began with A Blaze of Glory and continued in A Chain of Thunder and The Smoke at Dawn November 1864 As the Civil War rolls into its fourth bloody year the tide has turned decidedly in favor of the Union A grateful Abraham Lincoln responds to Ulysses S Grant s successes by bringing the general east promoting Grant to command the entire Union war effort while William Tecumseh Sherman now directs the Federal forces that occupy all of Tennessee In a massive surge southward Sherman conquers the city of Atlanta sweeping aside the Confederate army under the inept leadership of General John Bell Hood Pushing through northern Georgia Sherman s legendary March to the Sea shoves away any Rebel presence and by Christmas 1864 the city of Savannah falls into the hands of Uncle Billy Now there is but one direction for Sherman to go In his way stands the last great hope for the Southern cause General Joseph E Johnston In the concluding novel of his epic Civil War tetralogy Jeff Shaara tells the dramatic story of the final eight months of battle from multiple perspectives the commanders in their tents making plans for total victory as well as the ordinary foot soldiers and cavalymen who carried out their orders until the last alarm sounded Through Sherman s eyes we gain insight into the mind of the general who vowed to make Georgia howl until it surrendered In Johnston we see a man agonizing over the limits of his army s power and accepting the burden of leading the last desperate effort to ensure the survival of the Confederacy The Civil War did not end quietly It climaxed in a storm of fury that lay waste to everything in its path The Fateful Lightning brings to life those final brutal bloody months of fighting with you are there immediacy grounded in the meticulous research that readers have come to expect from Jeff Shaara Praise for The Fateful Lightning Powerful and emotional highly recommended Historical Novels Review Outstanding Shaara combines his extensive knowledge of military history with his consummate skill as a storyteller Booklist Readers looking for an absorbing novel will be well rewarded The Clarion Ledger A great accomplishment and a more than fitting conclusion to Shaara s work on the Civil War Bookreporter **The Civil War Round Table** Civil War Round Table (Chicago, Ill.), 1984 **AB** **Bookman's Weekly** , 1989-05 The World & I , 1987

The Enigmatic Realm of **The Fateful Lightning Civil War Eyewitness Reports**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **The Fateful Lightning Civil War Eyewitness Reports** a literary masterpiece penned by a renowned author, readers set about a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those who partake in its reading experience.
