The Films Of Mae West:

The Complete Films of Mae West Jon Tuska, 1992 *The Films of Mae West* Jon Tuska, 1973 *The Mae West Films (hardback)* James L. Neibaur, 2024-01-27 Mae West is one of the true icons of show business enjoying success on stage and in movies She created her character wrote her own dialog and understood self promotion An innately talented entertainer Mae began working on stage as a small child and was still pursuing creative endeavors in the last year of her life This book concentrates on her movie work and although she only made 12 movies they are what we have to represent her work Her best movies were edgy and challenging along with being entertaining and have lived on as classics ABOUT THE AUTHOR James L Neibaur is a film historian and scholar who has written over 35 books and hundreds of articles essays and reviews for various film magazines and website blogs **Complete Films of Mae West** Jon Tuska, 1992-10 A guide to the life and career of Mae West Beginning in vaudeville at the age of four it was not until she was in her forties that she made her first film *She Done Him Wrong* Breaking box office records it saved Paramount from having to sell out to MGM and secured her career in films **Mae West** Carol M. Ward, 1989-03-27 This provocative work analyzes Mae West s long life and productive career in three major phases the early theater years her meteoric film career in the thirties and her subsequent life as a popular culture legend It examines her theatrical approach to life and her unique talent for translating a low comic variety style into a subtle satire of melodramatic conventions West s attempts to control her comic creation led her into many public battles over her claims to authorship of her plays and filmscripts The book s bibliography explores her talents as a writer summarizing the plays and books she wrote and investigating the validity of those claims A thorough study of West s background and attitudes this volume combines the approaches of both biographical and critical artistic analysis and broadens our understanding of how Mae West fits into American popular culture The book examines West s philosophy of success and how it was reflected in her personal and professional life and places her in a historical and cultural perspective without forcing her personality into predetermined categories This bio bibliography provides a fresh view of the legendary Mae West and a new insight into the complexity of her artistry and social vision It will be a valuable addition to all public libraries and a useful resource in the study of American popular culture and film history **Mae West** Fergus Cashin, 1981 *Biografia de la actriz estadounidense mae west en la que se narra su vida su filmografia etc* **Mae West** Clive Hirschhorn, 2009 In 1968 noted film and theatre critic Clive Hirschhorn was a young feature writer for the London Sunday Express In Hollywood on assignment he heard that the legendary Mae West loved British accents and was able to get an interview with the 75 year old film star His observations on the official Mae and the actual woman behind the public persona provide new insights into this complex much caricatured and compelling cultural icon This book offers a funny touching and revealing account of the life of the woman who made it possible to say sex in public Her scripted quips are legendary and she was able to zing them in real life When Hirschhorn asked her how she managed to look so uncannily young at 75 her skin

was flawless and her face unlined she replied No secret I go to bed early I meditate I eat all the correct foods I don't smoke or drink and I believe with a passion in myself You can only beat nature when you show the bitch who's boss Leonard Maltin in his Foreword says Mae West was an absolute and resolute original There has never been anyone else quite like her Her reputation has survived the decades Young people might not know of her but she is still widely quoted and referred to in articles and books How many other show business personalities who flourished in the 1920s and 30s can say the same in the first decade of the 21st century Clive Hirschhorn is the author of the best selling *The Hollywood Musical* as well as Gene Kelly A Biography *The Films of James Mason The Warner Bros Story The Universal Story and The Columbia Story* Too Much of a Good Thing Ramona Curry,1996 Before Madonna before Marilyn there was Mae The impact of Mae West through her films attitude and aphorisms Too much of a good thing can be wonderful Is that a gun in your pocket or are you just glad to see me continues to reverberate through American popular culture more than fifteen years after her death In *Too Much of a Good Thing* Ramona Curry examines the interplay between West's bawdy worldly persona and twentieth century gender and media politics Although West has remained an important figure her image has fulfilled varied cultural functions In the thirties she was a lightning rod for debates over morality and censorship In the seventies the complexity of her portrayal of gender made her a controversial figure for both the gay rights and feminist movements Curry not only analyzes the symbolic roles West has occupied arguing that the entertainer represents a carefully orchestrated transgression of race class and gender expectations she also illustrates how icons of pop culture often distill contested social issues serving diverse and even contradictory political functions A pithy and innovative look at what Mae West means *Too Much of a Good Thing* is must reading for fans film buffs and anyone interested in how popular culture evolves and circulates in the United States **Mae West** Simon Louvish,2006 In the first comprehensive account of West's legendarily sassy life and work Simon Louvish examines her early vaudeville career her controversial Broadway shows and her phenomenal film career through to her larger than life Vegas and nightclub acts and fascinating insight into her life with her companion unto death Paul Novak She Always Knew How Charlotte Chandler,2009-02-10 In *She Always Knew How* her wonderful new biography of legendary actress Mae West acclaimed biographer Charlotte Chandler draws on a series of interviews she conducted with the star just months before her death in 1980 From their first meeting where West held out a diamond covered hand in greeting and lamented her interviewer's lack of jewels to their farewell where the star was still gamely offering advice on how to attract men Mae West and Charlotte Chandler developed a warm rapport that glows on every page of this biography Actress playwright screenwriter and iconic sex symbol Mae West was born in New York in 1893 She created a scandal and a sensation on Broadway with her play *Sex* in 1926 Convicted of obscenity she was sentenced to ten days in prison She went to jail a convict and emerged a star Her next play *Diamond Lil* was a smash and she would play the role of *Diamond Lil* in different variations for virtually her entire film career In Hollywood she played opposite George Raft Cary Grant in one of his

first starring roles and W C Fields among others She was the number one box office attraction during the 1930s and saved Paramount Studios from bankruptcy Her films included some notorious one liners which she wrote herself that have become part of Hollywood lore from too much of a good thing can be wonderful to When I m good I m very good When I m bad I m better Her risqu remarks got her banned from radio for a dozen years but behind the clever quips was Mae s deep desire decades before the word feminism was in the news to see women treated equally with men She saw through the double standard of the time that permitted men to do things that women would be ruined for doing Her cause was sexual equality and she was shrewd enough to know that it was perhaps the ultimate battleground the most difficult cause of all In addition to her extensive interviews of Mae West Chandler also spoke with actors and directors who worked with and knew the star the man with whom she lived for the last twenty seven years of her life as well as her closest assistant at the end of her life Their comments and insights enrich this fascinating book She Always Knew How captures the voice and spirit of this unique actress as no other biography ever has

The Films Of Mae West Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Films Of Mae West has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Films Of Mae West has opened up a world of possibilities. Downloading The Films Of Mae West provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Films Of Mae West has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Films Of Mae West. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Films Of Mae West. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Films Of Mae West, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Films Of Mae West has transformed the way we access

information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
