The Final Call Of My Awakening The Sound Of Gods Callings:

The Final Call of My Awakening/The Sound of God's Callings Annette Fluker, 2001-02-08 Rejection breeds bitterness betrayal breeds self doubt until nothing feels real anymore Everyone at one time or another has had their heart broken and ripped out or their spirit split into shards beaten battered and scorched and it has lead down the path of mental suicide undermining the fabric of stability A broken heart never fully heals but unfortunately it keeps on beating whether we want it to or not Some of us take a path of self destruction and some tear up their soul from the inside out This volume covers the deepest anguish that humans have endured for as long as we have infested this world No one is exempt from the pain as explained within This outpouring of raw emotion whether darkly destructive in nature or light in humor is a man's quest through a life he would gladly trade for a better one but is destined to survive the one he has as best he can The writings within have been found to be inspirational and very disturbing as a portrait of love friendship betrayal family and perseverance which is portrayed in a tapestry of blood and laughter This author writes outside the boundaries and breaks the rules as he does in life so if you're looking for answers here good luck
