Speaking of Animals Terry Caesar, 2009-03-16 Speaking of Animals consists of a linked series of thirteen essays about subjects ranging from deciding to castrate a dog evaluating recent dog memoirs observing animals in Spain reading about the training of big cats watching Animal Planet and being unable to kill a racoon in Texas So often personal even while analyzing novels such as Water for Elephants or movies such as Giant or Into the Wild the essays offer both an implicit critique and a continuation of recent discursive trends in animal studies whose language is too haplessly abstracted from the animals in whose name we humans strive to speak as well as narrate

The Stowaway Robert Hough, 2011-03-04 The Stowaway is at once a thrilling maritime adventure and a thought provoking morality tale based on real life events The novel begins in the spring of 1996 when Rodolfo Miguel a bosun on the Taiwanese container ship Maersk Dubai discovers a hungry and frightened pair of Romanian stowaways He presents them to his officers fully expecting that they ll be put to work or else dropped off at the nearest port Instead he and his fellow Filipino crewmen watch in silent horror as the Romanians are cast overboard in a flimsy raft only to disappear beneath the ship s wake The Stowaway moves seamlessly between two storylines Aboard the Maersk Dubai Rodolfo and his crewmen must deal with the emotional trauma of what they ve seen as well as grapple with how to act on what they know The atmosphere on the ship grows increasingly tense as fear anxiety and paranoia grip the Filipino sailors Trapped witnesses to a crime they wonder whom they can trust and whether they themselves will meet with the same fate as the stowaways Meanwhile a nineteen year old Romanian named Daniel Pacepa heads out on a nail biting adventure from Bucharest to Algeciras Poor brave and full of youthful indiscretion Daniel is desperate to stow away on a ship and head to a better life in America Along the way he meets another Romanian named Gheorghe and together they perform cheap labour pose as evangelical Christians and do whatever it takes to find their way to the Spanish port of Algeciras Eventually the two stories merge when Daniel and Gheorghe sneak onto the ill fated Maersk Dubai One man is killed the other discovered by Rodolfo Once again the Filipino crewmen find themselves faced with an excruciating moral dilemma Do they risk their own personal safety to save the life of a complete stranger All of the scenes involving the Filipino sailors are as close to the truth as Robert Hough could manage based on exhaustive interviews with the crewmen as well as on their letters and journals Though Hough invented the Romanians land adventure he based the story on considerable research including interviews with Romanian Canadians who had lived under the Ceausescu regime Hough was widely praised for the deft way in which he mixes fact and fiction in The Stowaway The critics were also unanimous in their admiration for the novel s ability to seduce with suspense while at the same time posing profound issues for the reader to ponder This is a powerful novel that

artfully combines the vivid breathless pacing of the best adventure stories with the moral and metaphysical depth of the best literary fiction said Quill Quire And from the Vancouver Sun Harnessing the force of fiction and the weight of history Hough has created a powerful deeply human masterpiece out of tragedy and inhumanity
