The Financing Of Small Business

Y Pai

The Financing Of Small Business:

Finding Money - the Small Business Guide to Financing Kate Lister, Tom Harnish, 2010-04-17 Finding money is an art you can learn You can learn who has money how they operate and how you can convince them to lend or invest in your business This book with answer your questions about What kinds of loans grants and other financing are available How much money should I borrow or raise What kind of small business loans or investment am I likely to qualify for How do I prepare a business loan application or investment prospectus How do I prepare an cash flow proforma How do I go about finding venture capital or angel investors What can I do to bootstrap my business if I can t find a lender or investor If you re an entrepreneur starting a business planning a home based business or running a fast growing firm Finding Money will help you finance your dream One of the best books I ve ever read on the subject David Thornburgh Director Wharton Small Business Development Center

The Financing of Small Business Lauren Helena Read, 2002-01-08 A detailed empirical study of how small business owners finance their enterprises this volume compares the experiences of women with those of men The author redresses an over reliance on subjective and anecdotal evidence of discrimination in this area with a controlled study of forty matched pairs of male female owners and their strategies for raising finances The research reveals the importance of adopting a theoretical framework in which the role of gender in the financing of small businesses is considered and the practical implications for female entrepreneurs banks and policy makers

The Financing of Small Business , 1964 How to Get the Financing for Your New Small Business Sharon L. Fullen, 2006 While poor management is cited most frequently as the reason small businesses fail inadequate or ill timed financing is a close second Whether you re starting a business or expanding one sufficient ready capital is essential This new book will provide you with a road map to secure the financing The book goes into traditional financing methods and assists the reader in setting up proper financial statements and a proper business plan It details the differences between debt and equity financing and how and why to use each Valuation techniques are explained for determining what your business is truly worth However the book s real strength is in explaining alternative and creative methods of financing such as SBA financing angel investors IPOs limited public offerings and venture capital Numerous real world examples are given for structuring a deal to benefit both the financier and the entrepreneur Essential resources for finding the detailed information you need are included throughout
