## KEATS' MAJOR POEMS

... another favorite Speculation of mine,  
that we shall enjoy ourselves here after  
by having what we called happiness on  
Earth repeated in a few days and so  
repeated.

**The Finer Tone: Keat's Major Poems** Earl R. Wasserman,1960      **The Finer Tone, Keats'major Poems..., Earl R. Wasserman** Earl Reeves Wasserman,1953      *The Living Dead* James B. Twitchell,1981 In his Preface to *The Living Dead* A Study of the Vampire in Romantic Literature James Twitchell writes that he is not interested in the current generation of vampires which he finds rude boring and hopelessly adolescent However they have not always been this way In fact a century ago they were often quite sophisticated used by artists varied as Blake Poe Coleridge the Brontes Shelley and Keats to explain aspects of interpersonal relations However vulgar the vampire has since become it is important to remember that along with the Frankenstein monster the vampire is one of the major mythic figures bequeathed to us by the English Romantics Simply in terms of cultural influence and currency the vampire is far more important than any other nineteenth century archetypes in fact he is probably the most enduring and prolific mythic figure we have This book traces the vampire out of folklore into serious art until he stabilizes early in this century into the character we all too easily recognize      *John Keats, Updated Edition* Harold Bloom,2009 Presents a collection of critical essays on the works of John Keats      **Keats: The Narrative Poems** John Spencer Hill,1983-12-15 This is a Bloomsbury Academic title For our full Academic Catalogue please visit <https://www.bloomsbury.com/uk/academic>      **Keats's Anatomy of Melancholy** Robert White,2020-09-09 This book examines John Keats s immensely important collection of poems *Lamia Isabella The Eve of St Agnes And Other Poems* 1820 and is published in the volume s bicentenary      **Keats the Poet** Stuart M. Sperry,1994-01-02 Keats the Poet was first published in 1973 just as the crest of all the New Critical exegeses had passed leaving the critical literature with a wealth of fine readings but without a real organizing program within which to view them Stuart Sperry established such a frame of reference Further he did so with such prescience that even the most radical deconstructive or new historical approaches to Keats today must bear witness to their inception in Sperry s emphasis on and subtle demonstration of the centrality of indeterminacy in the poet Now available in paperback for the first time this work will enlighten a new generation of readers
