

Echoes of War

THE FIRST BOER WAR

JOSEPH LEHMANN

The First Boer War Echoes Of War

H. Rider Haggard

The First Boer War Echoes Of War:

The First Boer War Joseph H. Lehmann, 1985 **Imperial Echoes** Robert Giddings, 1994-04-25 The years between the Battle of Waterloo in 1815 and the outbreak of the First World War in 1914 are sometimes described as The Long Peace there were in fact British Soldiers fighting somewhere in the world throughout the whole of that period usually in an effort to restore order in some far flung parts of the Empire upon which the sun never set Although these campaigns have been well documented by numerous historians Robbert Giddings well known as author journalist and writer for radio and television here adopts an entirely new approach and relies largely on first hand accounts to show not merely what happened but what it was actually like to be there His sources are many and varied and not confined to the soldier's own records Nothing for instance could surpass in vividness Florentia Sale's brilliant account of the terrible retreat from Kabul in 1842 Due respect is also paid to the courage of the opposition As Lieutenant Charles Townshend wrote after Omdurman in 1898 The Valour of these poor half starved Dervishes would be graced by Thermopylae The book continues eye witness accounts from the following campaigns and minor wars Maratha Gurkha Burmese Ashanti opium Afghan Maori Sikh Kaffir Persian Abyssinian Zulu Boer Egyptian Sudanese and Matabele The list alone shows how busy the British Soldier was throughout the nineteenth century The text itself brilliantly recaptures the nature of soldiering in that era War Commemoration and Civic Culture in the North East of England, 1854-1914 Guy Hinton, 2021-09-17 This book examines a diverse set of civic war memorials in North East England commemorating three clusters of conflicts the Crimean War and Indian Rebellion in the 1850s the small wars of the 1880s and the Boer War from 1899 to 1902 Encompassing a protracted timeframe and embracing disparate social political and cultural contexts it analyses how and why war memorials and commemorative practices changed during this key period of social transition and imperial expansion In assessing the motivations of the memorial organisers and the narratives they sought to convey the author argues that developments in war commemoration were primarily influenced by and reflected broader socio economic and political transformations occurring in nineteenth century and early twentieth century Britain Shooting the Messenger Paul Moorcraft, 2011-10-31 Wars have dominated politics since history began In the modern era most of what the media reports on foreign conflicts comes from a small band of war correspondents As the furore over the Iraq Afghan and now the Libyan wars demonstrates Western governments and militaries often collude to keep their voters in the dark about the causes and the conduct of wars waged in their name In this entertaining and unspun account of modern war reporting the authors ask whether the media itself drives democracies to war Or does it serve to constrain evil ignorant and messianic leaders Are the heirs of William Howard Russell the first modern war reporter watchdogs or lapdogs In the age of Wikileaks and corrupt media empires what is the political impact of war correspondents Are they the heroes or harlots of their profession *The Boer War* Fred R. van Hartesveldt, 2000-05-30 One hundred years after the Boer War the British continue to debate what went wrong while the war has significant nationalist overtones in

today's South Africa This book examines changes in interpretations of the war and provides a bibliography of major sources on the Boer War now sometimes called the South African War The bibliography focuses on the military history but also includes some historical accounts of the political debate The first part of the book provides an extended historiographical essay while part two provides an annotated bibliography of the titles discussed in part one Historiographical questions concerning the Boer War are numerous Discussions of military operations focus on the early use of modern weaponry and the effect of guerrilla tactics on a traditional force while other historians debate the question of British military leadership and organization Questions also revolve around British imperialism and the scramble for Africa Frequently called the second war for freedom by South African authors the war was the reason that South Africa unlike other British colonies gained independence without majority rule This makes the war of continuing relevance to the turmoil in South Africa the collapse of the minority government and the continuing problems of the current government This book will provide a useful tool for those wishing to research the war

The British Army Regular Mounted Infantry 1880-1913 Andrew Winrow, 2016-11-03

The regular Mounted Infantry was one of the most important innovations of the late Victorian and Edwardian British Army Rather than fight on horseback in the traditional manner of cavalry they used horses primarily to move swiftly about the battlefield where they would then dismount and fight on foot thus anticipating the development of mechanised infantry tactics during the twentieth century Yet despite this apparent foresight the mounted infantry concept was abandoned by the British Army in 1913 just at the point when it may have made the transition from a colonial to a continental force as part of the British Expeditionary Force Exploring the historical background to the Mounted Infantry this book untangles the debates that raged in the army Parliament and the press between its advocates and the supporters of the established cavalry With its origins in the extemporised mounted detachments raised during times of crisis from infantry battalions on overseas imperial garrison duties Dr Winrow reveals how the Mounted Infantry model unique among European armies evolved into a formalised and apparently highly successful organisation of non cavalry mounted troops He then analyses why the Mounted Infantry concept fell out of favour just eleven years after its apogee during the South African Anglo Boer War of 1899 1902 As such the book will be of interest not only to historians of the nineteenth century British army but also those tracing the development of modern military doctrine and tactics to which the Mounted Infantry provided successful if short lived inspiration

Forgotten Heroes Zulu & Basuto Wars including Medal Roll 1877-8-9 Roy Dutton, 2010-05-01 A work of reference with details of the Colonial and Imperial forces engaged in the Zulu and Basuto Wars between 1877 to 1879 Over 36 600 men are listed with medal entitlement causality lists and troop deployments together with numerous biographical details Also includes first hand accounts of the many campaigns with illustrated maps An invaluable guide for both medal collectors and historians These men at great personal sacrifice helped to build an Empire on which the sun would never set

The King's Royal Rifle Corps Chronicle Great Britain. Army. King's Royal Rifle Corps Regiment, 1881-1958, 1933

W. T. Stead as New Journalist and Nonconformist, 1870-1912 Philip March, 2025-10-03 This book is an in depth study of the influence of evangelical Nonconformity on the evolving journalism of W T Stead one of the leading British newspaper editors of the late nineteenth century While Stead s Christian beliefs have been examined alongside and complementary to his journalism no long study has yet interrogated the way in which Protestant Dissent helped to shape the development of his press practice This study explores the stimulating interconnections in Stead s New Journalism between late nineteenth century evangelicalism radical politics and social reform and the modes and formats of his writing **The Mahatma and the Hare** H. Rider Haggard, 2021-04-25 In *The Mahatma and the Hare* H Rider Haggard weaves an intricate narrative that blends adventure mysticism and philosophical inquiry Set against the backdrop of British colonial India the novel follows an unlikely journey where the protagonist navigates the complex interplay between Western rationality and Eastern spirituality Haggard s literary style is characterized by vivid imagery and a rich evocative prose that captures the exoticism of the Indian landscape while delving into profound themes of enlightenment and cultural exchange This work written during the late 19th century reflects the era s fascination with the East and the emerging discourse around spirituality and imperialism making it a significant contribution to the genre of imperial literature H Rider Haggard a prominent figure in late Victorian literature was known for his adventure novels that often explored the themes of colonialism and cultural clash His own travels and experiences in Africa and Asia inspired many of his works and *The Mahatma and the Hare* exemplifies his interest in the philosophical questions surrounding morality and existence Haggard s engagement with the spiritual philosophies of the time reveals a nuanced understanding of the complexities of colonial encounters and their implications for both individuals and societies This compelling tale is highly recommended for readers interested in the intersections of adventure and philosophy Haggard s exploration of the human condition combined with his engaging storytelling invites readers to reflect on their own beliefs and the nature of enlightenment Through its rich narrative and deep philosophical questions *The Mahatma and the Hare* remains a thought provoking read that resonates with contemporary discussions on spirituality and cultural understanding In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing An Author Biography reveals milestones in the author s life illuminating the personal insights behind the text A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read
