**Sir Francis Drake's Voyages Around the World** Henry Raup Wagner,1926      **Sir Francis Drake and the Famous Voyage, 1577-1580** University of California, Los Angeles. Center for Medieval and Renaissance Studies,Sir Francis Drake Commission,1984-01-01      The Official Price Guide to Collecting Books Marie Tedford,Pat Goudey,2008 The antiquarian s reference to old books features thousands of listings including hundreds of new titles a new Internet buying guide a complete glossary of book collecting terms research resources information on dealers and advice on buying selling and maintaining fragile acquisitions Original      **The National Union Catalog, Pre-1956 Imprints** Library of Congress,American Library Association. Committee on Resources of American Libraries. National Union Catalog Subcommittee,1971      *The Secret Voyage of Sir Francis Drake* Samuel Bawlf,2009-05-26 On September 26 1580 Francis Drake sailed his ship the Golden Hinde into Plymouth Harbor on the southwest coast of England Samuel Bawlf masterfully recounts the drama of this extraordinary expedition within the context of England s struggle to withstand the aggression of Catholic Europe and Drake s ambition for English enterprise in the Pacific He offers fascinating insight into life at sea in the sixteenth century from the dangers of mutiny and the lack of knowledge about wind and current to the arduous physical challenges faced every day by Drake s men A cast of luminous characters runs through *The Secret Voyage of Sir Francis Drake* Philip II of Spain Europe s most powerful monarch Elizabeth s spymaster and powerful advisor Francis Walsingham the encyclopedic cosmographer John Dee and Abraham Ortelius the great Dutch mapmaker to whom Drake leaked his Pacific discoveries In the end though it is Francis Drake himself who comes most fully to life through the lens of his epic voyage Remembered most as a privateer and for his victory over the Spanish Armada the Drake that emerges from these pages is so much more a dynamic leader of men a brilliant navigator and sailor and surely one of history s most daring explorers      **Travel Literature and the Evolution of the Novel** Percy G. Adams,2014-07-15 Although much has been written about how the novel relates to the epic the drama or autobiography no one has clearly analyzed the complex connections between prose fiction as it evolved before 1800 and the literature of travel which by that date had a long and colorful history Percy Adams skilfully portrays the emergence of the novel in the fiction of the seventeenth and eighteenth centuries and traces in rich detail the history of travel literature from its beginnings to the time of James Cook contemporary of Richardson and Fielding And since the recit de voyage and the novel were then so international he deals throughout with all the literatures of Western Europe one of the book s chief themes being the close literary ties among European nations Equally important in the present study is its demonstration that just as early travel accounts were often a combination of reporting and fabrication so prose fiction is not a dichotomy to be divided into the adult novel on the one hand and the childish romance on the other but an ambivalence the marriage of realism and romanticism *Travel Literature and the Evolution of the Novel* not only shows the novel to be amorphous and changing it also proves impossible the task of defining the recit de voyage with its thousand forms and faces Often the two

types of literature are almost indistinguishable even before Don Quixote Adams writes many travel accounts could have been advertised as having the endless fascination of a wonderfully observed novel This study by Percy Adams will both modify opinions about the novel and its history and provide an excellent introduction to the travel account a form of literature too little known to students of belles lettres The Publishers' Circular and Booksellers' Record ,1929 **American Book Publishing Record Cumulative, 1950-1977** R.R.
