**El Papel del derecho internacional en América ,1997 Latin America and the International Court of Justice**

Paula Wojcikiewicz Almeida,Jean-Marc Sorel,2016-11-25 This book aims to evaluate the contribution of Latin America to the development of international law at the International Court of Justice ICJ This contemporary approach to international adjudication includes the historical contribution of the region to the development of international law through the emergence of international jurisdictions as well as the procedural and material contribution of the cases submitted by or against Latin American states to the ICJ to the development of international law The project then conceives international jurisdictions from a multifunctional perspective which encompasses the Court as both an instrument of the parties and an organ of a value based international community This shows how Latin American states have become increasingly committed to the peaceful settlement of disputes and to the promotion of international law through adjudication It culminates with an expansion of the traditional understanding of the function of the ICJ by Latin American states including an analysis of existing challenges in the region The book will be of interest to all those interested in international dispute resolution including academic libraries the judiciary practitioners in international law government institutions academics and students alike
