

SITTING WITH JOB

Selected Studies
on the Book of Job

A large, stylized silhouette of a person sitting in a desert landscape, rendered in a solid brown color. The person is shown from the side, sitting on the ground with their back to the viewer. The background is a light yellowish-green, and the overall composition is minimalist and evocative.

O'Brien, 2014-12-31 A leading biblical scholar Hans Heinrich Schmid believes that righteousness or the right order of the world is the fundamental problem of our human existence It is a key theme in the Hebrew Bible Old Testament's theology of creation and salvation along with associated themes such as justice steadfast love loyalty truth fidelity compassion mercy sin and disorder chaos A number of studies of righteousness have been undertaken but most have tended to focus on Israel's call to be righteous as voiced in particular in the Prophetic Books and the Psalter In

gospel which precedes the passion narrative Over against Marcus Borg's non eschatological Jesus Wilson shows convincingly that Matthew's Jesus had a clear eye to the future looking both to coming events in Palestinian history for his own vindication on the world stage and also to a more ultimate judgment in which he would play the leading role Whether or not other scholars agree with Wilson's conclusions this is the sort of careful exegetical scholarship which is needed to carry constructive discussion forward R T France formerly Principal Wycliffe Hall Oxford Alistair Wilson has written a study that reveals first class scholarship He demonstrates that he is fully abreast of issues that are currently being discussed In his interactions he is tactful serene and persuasive While applauding the views of others he nevertheless shows his difference from them by carefully demonstrating on the basis of Matthew's Gospel that Jesus indeed is judge both in the first century and at the consummation This book is an excellent addition to evangelical research that champions a high view of Scripture Simon J Kistemaker Professor of New Testament Emeritus Reformed Theological Seminary Alistair Wilson's monograph goes right to the heart of contemporary debate concerning the role of Jesus by drawing attention to the motif of judgment in his role as prophet and sage that so impressed the Evangelist Matthew His fresh study of judgment in this Gospel shows that the early church was far removed from seeing in him the non eschatological teacher of the late twentieth century Jesus seminar This is an important scholarly contribution to the ongoing study of how Jesus was seen and understood by his contemporaries with considerable significance for how we ought to understand him today I Howard Marshall Emeritus Professor of New Testament Exegesis and Honorary Research Professor University of Aberdeen Alistair Wilson is a minister of the Free Church of Scotland He has taught New Testament at Highland Theological College in Dingwall Scotland and currently serves as Principal of Dumisani Theological Institute in South Africa

The Doctrine on Which the Church Stands or Falls

(Foreword by D. A. Carson) Matthew Barrett, 2019-03-14 Many factors contributed to the Protestant Reformation but one of the most significant was the debate over the doctrine of justification by faith alone In fact Martin Luther argued that justification is the doctrine on which the church stands or falls This comprehensive volume of 26 essays from a host of scholars explores the doctrine of justification from the lenses of history the Bible theology and pastoral practice revealing the enduring significance of this pillar of Protestant theology *A Sacred Sorrow* Michael Card, 2014-02-27 God desires for us to pour out our hearts to Him whether in joy or pain But many of us don't feel right expressing our anger frustration and sadness in prayer From Job to David to Christ men and women of the Bible understood the importance of pouring one's heart out to the Father Examine their stories and expand your definition of worship Also available *A Sacred Sorrow Experience Guide* 9781576836682 sold separately to help individuals or small groups get the most out of this book *Sarcasm in Paul's Letters* Matthew Pawlak, 2022-12-22 Provides an extensive analysis of sarcasm in Paul's letters illuminated by case studies on Septuagint Job the prophets and Lucian of Samosata **For Our Good Always** Jason S. DeRouchie, Jason Gile, Kenneth J. Turner, 2024-09-12 With a title adapted from Deuteronomy 6:24 *For Our Good Always* is a collection of 25 essays from

evangelical scholars on the message of Deuteronomy and its influence on Christian Scripture. No other book colors the tapestry of biblical thought quite like Deuteronomy. It synthesized the theology of the Pentateuch, provided Israel with a constitution for guiding their covenant relationship with Yahweh in the promised land, and served as a primary lens through which later biblical authors interpreted Israel's covenant history. Recent advances in scholarship on Deuteronomy and developments in biblical interpretation are raising fresh questions and opening new paths for exploration. This collection of studies wrestles with Deuteronomy from historical, literary, theological, and canonical perspectives and offers new questions, presents original discoveries, and makes innovative proposals. The volume is offered in honor of Daniel I. Block on the occasion of his 70th birthday. Few Old Testament scholars have worked so ably, carefully, and intentionally to help the church and the academy grasp the message of Deuteronomy. Block's own studies always exhibit an admirable balance of exegetical rigor, literary and theological awareness, and pastoral care, and for well over a decade he has, like the priest scribe Ezra, devoted himself to the study, practice, and teaching of the Deuteronomistic Torah (Ezra 7:10), helping and urging others to hear the life-giving gospel of Moses in Deuteronomy. The international group of specialists that contributed to this volume consists of Daniel Block's colleagues, friends, and former students. It is their hope that these studies will in various ways supplement Daniel Block's work serving the church and the academy and honoring the God of Israel.

What Job's Friends Could Have Done Stephen Torr, 2025-08-19. In a world that is becoming more aware of the impact of traumatic experiences on the lives of individuals, the church is faced with the challenge of examining how to do life well together in a way that helps rather than hinders those who are living in the aftermath of trauma. Beginning with the question of what Job's friends could have done differently to help Job in the midst of his suffering, the present work draws on Kevin Vanhoozer's theodramatic model and the Object Relations Theory of British pediatrician and psychoanalyst Donald Winnicott to provide biblically rooted guidance for developing a trauma-sensitive church. In bringing these perspectives together, exploration takes place into what it means to be made in the image of God in the theodrama and what the church's role is in enabling the christological form of this image to take shape in each individual, particularly in the aftermath of individual trauma. The work of Winnicott provides fresh insight into how this development might be facilitated by the church within the theodrama of salvation.

Curtis, 2019-03-21. The Wisdom Literature of the Bible (Job, Proverbs, Ecclesiastes, and Song of Songs) is filled with practical principles for everyday life. While some Christians are deterred by the pragmatic character of these matter-of-fact guidelines, they are as integral to God's purposes for His people as the explicitly theological material that dominates other parts of Scripture. The Wisdom books tie these two streams of God's revelation together in a way that enriches and strengthens the church. It is a thorough resource for pastors.

and teachers to help them navigate the sometimes bewildering waters of the Wisdom Literature *Critical Companion to the Bible* Martin H. Manser, 2014-05-14 Presents selections of literary criticism devoted to the Bible
