Phillips, 2016-02-05 *Do Something Else* is meant to encourage faith communities and their leaders to reconsider church as usual reengage Spirit led entrepreneurialism and reimagine new models of ministry bubbling up in their midst Many churches and leaders are already setting the pace They are establishing new gatherings in old buildings and using new building to do old things They are emphasizing diversity

welcome and friendship If these stories are hidden from view they shouldn't be These pages will uncover how new expressions get started how they are led how they struggle and how they are sustained Do Something Else will encourage candidates for ministry who see limited options ministers who wonder about staying in ministry clergy call seekers trying to find hope in a desolate career landscape and churches attempting to manage staffs with limited resources It will also offer permission to small churches resigned to be without a pastor larger churches looking to do a new thing in an unorthodox way and middle governing bodies who need promising examples of working models in order to take the risk on new opportunities
