key hub in the illegal slave trade to Cuba In conjunction with allies in Africa and Cuba they ensnared around two hundred thousand African men women and children during the 1850s and 1860s John Harris explores how the U S government went from ignoring and even abetting this illegal trade to helping to shut it down completely in 1867 *From Slaving to Neoslavery* I. K. Sundiata,1996 Fernando Po home to the Bantu speaking Bubi people has an unusually complex history Long touted as the key to West Africa it is the largest West African island and the last to enter the world economy Confronted by both African resistance and ecological barriers early British and Spanish imperialism foundered there Not until the late nineteenth century did foreign settlement take hold abetted by a class of westernized black planters It was only then that Fernando Po developed a plantation economy dependent on migrant labor working under conditions similar to slavery In *From Slaving to Neoslavery* Ibrahim K Sundiata offers a comprehensive history of Fernando Po explains the continuities between slavery and free contract labor and challenges standard notions of labor development and progress in various colonial contexts Sundiata s work is interdisciplinary considering the influences of the environment disease slavery abolition and indigenous state formation in determining the interaction of African peoples with colonialism *From Slaving to Neoslavery* has manifold implications Historians usually depict the nineteenth century as the period in which free labor triumphed over slavery but Sundiata challenges this notion By examining the history of Fernando Po he illuminates the larger debate about slavery current among scholars of Africa
