

HALLOWEEN STORY

Halloween is a traditional celebration that began in Europe hundreds of years ago. At that time, some people believed that ghosts of dead people visited living people. Nowadays it is a special day in several countries around the world, but it is perhaps most popular in Canada and the United States. It always falls on the same date every year: October 31. Around this time, people like to tell scary stories and watch horror movies. In the evening on October 31, children wear costumes. These are clothes that make them look like interesting animals, monsters or people. They might be very funny or they might be quite scary. The costumes often include a face mask or some make-up painted on the person's face. For

example, on Halloween you might see a dinosaur or an elephant, a witch with a tall, black hat, or maybe even a ghost. Children then go from house to house and ask for candy by saying, "Trick or treat?" Many older kids and adults also put on costumes and go to Halloween parties. Jack - o' lanterns are very common during this time. A lot of people like to put them in their windows or just outside their doors. They are pumpkins with lights inside and faces cut into them. In Mexico, a similar traditional celebration is called 'The Day of the Dead' – family and friends come together for three days to pray for and remember people who have died. Most people, both young and old, have a lot of fun on Halloween. "Happy Halloween" everyone!
