

THE HARP THAT ONCE—

A Chronicle of the Life of Thomas Moore

HOWARD MUMFORD KINES

Thomas Moore has no real story. A fine picture would hardly be obtained by looking at him, for the life of this gentleman, statesman, and poet, is a record of the life of a man of letters, with little, in the end, of that life that is really interesting.

From Castle Rackrent to Castle Dracula Paul E. H. Davis, 2011 Paul E H Davis and the Irish Land Question In his challenging new book Paul E H Davis offers an entirely new critique of how novelists in nineteenth century Ireland had to act both as writers and historians in their attempts to find a solution to what became the Irish Land Question Challenging the widely held nationalist view that Irish novelists of this period had little or nothing to offer Davis slots these castaway novelists into a new identifiable category the agrarian novelists The book is divided into three parts Part One considers novelists writing between the Union and the Famine Maria Edgeworth Gerald Griffin John and Michael Banim and William Carleton Part Two looks at how the agrarian novel emigrates with reference to the novels of Charles Kickham and to the Irish novels of Anthony Trollope Part Three considers how some agrarian novelists specifically Thomas Moore and Bram Stoker felt the solution lay not in the real world but in the world of fantasy An exceptional book on why the agrarian novelists deserve to be valued for their unique perception of Ireland in the nineteenth century

Scottish and Irish Romanticism Murray Pittock, 2011-05-19 Scottish and Irish Romanticism is the first single author book to address the main non English Romanticisms of the British Isles Murray Pittock begins by questioning the terms of his chosen title as he searches for a definition of Romanticism and for the meaning of national literature He proposes certain determining triggers for the recognition of the presence of a national literature and also deals with two major problems which are holding back the development of a new and broader understanding of British Isles Romanticisms the survival of outdated assumptions in ostensibly more modern paradigms and a lack of understanding of the full range of dialogues and relationships across the literatures of these islands The theorists whose works chiefly inform the book are Bakhtin Fanon and Habermas although they do not define its arguments and an alertness to the ways in which other literary theories inform each other is present throughout the book Pittock examines in turn the historiography prejudices and assumptions of Romantic criticism to date and how our unexamined prejudices still stand in the way of our understanding of individual traditions and the dialogues

Stanton, 2012 Our perception of life at Monticello has changed dramatically over the past quarter century The image of an estate presided over by a benevolent Thomas Jefferson has given way to a more complex view of Monticello as a working plantation the success of which was made possible by the work of slaves At the center of this transition has been the work of Lucia C. Stanton recognized as the leading interpreter of Jefferson's life as a planter and master and of the lives of his slaves and their descendants This volume represents the first attempt to pull together Stanton's most important writings on slavery at Monticello and beyond Stanton's pioneering work deepened our understanding of Jefferson without demonizing him But perhaps even more important is the light her writings have shed on the lives of the slaves at Monticello Her detailed reconstruction for modern readers of slaves' lives vividly reveals their active roles in the creation of Monticello and a dynamic community previously unimagined The essays collected here address a rich variety of topics from family histories including the Hemingses to the temporary slave community at Jefferson's White House to stories of former slaves' lives after Monticello Each piece is characterized by Stanton's deep knowledge of her subject and by her determination to do justice to both Jefferson and his slaves Published in association with the Thomas Jefferson Foundation **From Song to Print** T.
