[A STUDY OF THE PROPHETIC IN AMERICAN PENTECOSTALISM]

THE HEALER- PROPHET

C. DOUGLAS WEAVER

FOREWORD BY DAVID EDWIN HUBBELL, JR.

The Healer Prophet William Marrion Branham A Study Of The Prophetic In American Pentecostalism

Roberts Liardon

The Healer Prophet William Marrion Branham A Study Of The Prophetic In American Pentecostalism:

The Healer-prophet C. Douglas Weaver,2000 This study of William Marrion Branham s ministry reveals much about the healing methodology of deliverance evangelists Branham s theology of healing highlights the widely accepted role of evangelists as mediators between God and the afflicted The dynamic growth of Pentecostalism in the twentieth century is a major feature of the modern religious scene Branham is acknowledged as a leader of the healing revival movement Although little known outside of the Pentecostal movement his work had tremendous influence on today s televangelists and the whole of Pentecostalism itself God's Generals Roberts Liardon,2000-11-01 In God s Generals Roberts Liardon will help you recapture God s glory with compelling spiritual biographies of some of the most powerful ministries to ever ignite the fires of revival Liardon faithfully chronicles their lives in this work along with their teachings their spiritual discoveries and many revealing photos Four of God s Generals who you will meet include William J Seymour the son of ex slave who turned a tiny horse table on Azusa Street Los Angeles into an internationally famous center of revival Aimee Semple McPherson the glamorous and flamboyant founder of the Foursquare Church and the nation s first Christian radio station Smith Wigglesworth the plumber who read no book but the Bible and raised the dead Kathryn Kuhlman the beloved evangelist whose miracle filled meetings drew millions of skeptics to faith **Spirit Cure** Joseph W. Williams,2013-02-14 Joseph W Williams examines the changing healing practices of pentecostals in the United States over the past 100 years from the early believers to the later generations of pentecostals and their charismatic successors *The New International Dictionary of Pentecostal and Charismatic Movements* Stanley M. Burgess,Eduard M. van der Maas,2010-08-03 The Definitive History of the Spirit Filled Church Encyclopedic coverage of Activities of the Spirit over 2 000 years of church history in 60 countries and regions Outpourings at Topeka Mukti Mission India Azusa Street Duquesne University and many other 20th century locations Current movements among today s 500 million plus Pentecostal and charismatic Christians worldwide The New International Dictionary of Pentecostal and Charismatic Movements sets modern Spirit filled Christianity in a context that spans two millennia and the entire Christian world Like no other resource this volume reveals in detail the full sweeping legacy of Spirit empowered movements that have touched hearts and lives both in modern America and across the centuries and continents in medieval Europe Finland in the 1700s South India in the 1800s Azusa Street at the turn of the 20th century and much more including ongoing moves of the Holy Spirit throughout the world today One thousand entries provide the most extensive information available on Pentecostal charismatic and neocharismatic movements The diverse topics covered include as a small sample glossolalia black and Hispanic Pentecostalism prophecy the role of women faith healing music sociology missions church growth and different historic and contemporary revivals With its unique international and historical perspective this completely revised and expanded second edition of the acclaimed Dictionary of Pentecostal and Charismatic Movements offers features that no other reference of its kind approaches Its extraordinary scope and detailed up

to date coverage make this the definitive resource on Pentecostal and charismatic denominations and movements both in North America and worldwide Includes Exhaustive coverage of Pentecostal and charismatic movements in 60 countries and regions individual histories cultural and theological aspects and key figures and institutions Statistical section with a wealth of current information on the growth of classical Pentecostalism as well as charismatic and neocharismatic movements 1 000 articles Over 500 photos and illustrations maps and timeline Cross references bibliographies and indexes to people places and topics

God's Generals: William Branham Roberts Liardon,2000-11-01 Roberts Liardon chronicles the lives and legacies of men and women who were empowered by the Holy Spirit to bring worldwide revivals

Living in Bible Times Christopher J. Richmann,2020-01-09 F F Bosworth was the only major living link between the late nineteenth century divine healing movement that gave birth to Pentecostalism and the post World War II healing revival that brought Pentecostalism into American popular culture At once on the fringes and in the mainstream of American Pentecostalism Bosworth has largely been ignored by historians Richmann demonstrates that Bosworth s story not only draws together disparate threads of the Pentecostal story but critiques traditional interpretations of speaking in tongues Azusa Street denominational affiliation divine healing the relationship to fundamentalism the Word of Faith movement and eschatology In this critique Richmann provides a much needed critical biography of Bosworth as well as a fresh interpretation of Pentecostalism

The South Indian Pentecostal Movement in the Twentieth Century Michael Bergunder,2008-06-06 Making up approximately 20 percent of South India s Protestants Pentecostals are an influential part of India s Christian culture yet there is a distinct lack of scholarly focus on this increasingly large group This careful well informed study by Michael Bergunder ably fills that gap After a brief historical introduction to the worldwide growth of Pentecostalism Bergunder delves into the history of the South Indian Pentecostal movement in the first section The second section gives a systematic profile of the current movement in South India based on a wide range of source materials and on formal interviews with nearly two hundred leading pastors and evangelists Bergunder finishes his work with prospects for the future Three appendixes and an extended bibliography offer ample ground for further research

Divine Healing: The Years of Expansion, 1906-1930 James Robinson,2014-05-07 In the present volume James Robinson completes his trilogy which deals with the history of divine healing in the period 1906 1930 The first volume is a study of the years 1830 1890 and was hailed as a standard reference for years to come The second book covers the years 1890 1906 and was acclaimed as a monumental achievement that combines careful historical scholarship and a high degree of accessibility This volume completes the study up to the early 1930s and like the other two works has a transatlantic frame of reference Though the book gives prominence to the theology and practice of divine healing in early Pentecostalism it also discusses two other models of healing the therapeutic and sacramental promoted within sections of British and American Anglicanism Some otherwise rigorous Fundamentalists were also prepared to practice divine healing The text contributes more widely to medical and sociocultural

histories exemplified in the rise of psychotherapy and the cultural shift referred to as the Jazz Age of the 1920s The book concludes by discussing the major role that divine healing plays in the present rapid growth of global Christianity To the Ends of the Earth Allan Heaton Anderson,2013-01-04 No branch of Christianity has grown more rapidly than Pentecostalism especially in the southern hemisphere There are over 100 million Pentecostals in Africa In Latin America Pentecostalism now vies with Catholicism for the soul of the continent and some of the largest pentecostal congregations in the world are in South Korea In To the Ends of the Earth Allan Heaton Anderson explores the historical and theological factors behind the phenomenal growth of global Pentecostalism Anderson argues that its spread is so dramatic because it is an ends of the earth movement pentecostals believe that they are called to be witnesses for Jesus Christ to the furthest reaches of the globe His wide ranging account examines such topics as the Azusa Street revival in Los Angeles the role of the first missionaries in China India and Africa Pentecostalism s incredible diversity due to its deep local roots and the central role of women in the movement He describes more recent developments such as the creation of new independent churches megachurches and the health and wealth gospel and he explores the increasing involvement of pentecostals in public and political affairs across the globe Why is this movement so popular Anderson points to such features as the emphasis on the Spirit the born again experience incessant evangelism healing and deliverance cultural flexibility a place to feel at home religious continuity an egalitarian community and meeting material needs all of which contribute to Pentecostalism s remarkable appeal Exploring more than a century of history and ranging across most of the globe Anderson illuminates the spectacular rise of global Pentecostalism and shows how it changed the face of Christianity worldwide *Religion and the Racist Right* Michael Barkun,2014-02-01 According to Michael Barkun many white supremacist groups of the radical right are deeply committed to the distinctive but little recognized religious position known as Christian Identity In *Religion and the Racist Right* 1994 Barkun provided the first sustained exploration of the ideological and organizational development of the Christian Identity movement In a new chapter written for the revised edition he traces the role of Christian Identity figures in the dramatic events of the first half of the 1990s from the Oklahoma City bombing and the rise of the militia movement to the Freemen standoff in Montana He also explores the government s evolving response to these challenges to the legitimacy of the state Michael Barkun is professor of political science in the Maxwell School of Citizenship and Public Affairs at Syracuse University He is author of several books including *Crucible of the Millennium* *The Burned over District of New York in the 1840s* **A Sense of the Heart** Bill J. Leonard,2014-11-18 For many people knowing about God is not enough they also want to feel God s presence Whether like St Paul s experience on the road to Damascus or like Wesley s strangely warmed heart people believe that nothing can substitute for religious experience Even today people go to church in order to encounter the Divine by which they mean experience God in their midst This desire to meet or be met by God is as old as humanity but America especially has been the seed bed for what William James famously called varieties of religious experience These experiences

cover a wide spectrum from classic mysticism to revivalist conversion to a contemporary pursuit of spirituality A Sense of the Heart traces the nature of religious experience from the colonial era to the present attempting to define and describe the nature of religious experience and noting common and distinct approaches in the work of various scholars and practitioners Following that A Sense of the Heart offers a historical review of representative types of religious experience the nature of such experiences and their impact on the American religious and cultural context as evident in awakenings controversies denominations and new religious communities *Christians and Missionaries in India* Robert Eric Frykenberg,Alaine M. Low,2003 There are now more Christians in Africa and Asia than in the West This book addresses particular aspects of cultural contact with special reference to caste conversion and colonialism Winds from the North Michael Wilkinson,Peter Althouse,2010 Michael Wilkinson Ph D 1999 in Sociology of Religion University of Ottawa is Associate Professor of Sociology and Director of the Religion in Canada Institute at Trinity Western University He has published extensively on Pentecostalism including the books *The Spirit Said Go* and *Canadian Pentecostalism* Making Good the Claim Rufus Burrow Jr.,2016-02-16 The Church of God Reformation Movement founded in 1881 has the distinction of having been founded on the two core principles of holiness and visible unity Standard histories of the group proudly argue that the founder and pioneers exhibited a zeal for interracial unity that began to wane only in the early years of the twentieth century This book rejects that claim and argues instead that little to no extant hard evidence supports that view Moreover Making Good the Claim argues that while blacks eagerly joined the group they did so not because whites expended much energy evangelizing among them but because they heard something deeper in the message of holiness and visible unity than God's expectation that members achieve spiritual and church unity Unlike most whites blacks interpreted the message to call for unity along racial lines as well This book challenges members of the Church of God to begin forthwith to make good their historic claim about holiness and visible unity particularly as it applies to interracial unity **Come Out Of Her My People: (Vol. I) A History of The Message of William Branham** Charles Paisley,2024-06-01 William Branham was a influential Pentecostal ministers of the mid 20th century who began a cult following known as The Message While many biographies of William Branham have been published this is the first book on the history of The Message movement Written by the former associate pastor of the second oldest Message church in the world this book explores The Message community and the origins of its ideology The Message did not appear in a vacuum The ideology of The Message is merely a continuation and evolution of belief systems which came before What was that system Where did the ideology come from Are the sources reputable How did the early Message community form This first volume of the history of The Message will begin to shed light on these questions **When Prayer Fails** Shawn Francis Peters,2008 When Prayer Fails examines the web of legal and ethical questions that arise when criminal prosecutions are mounted against parents whose children die as a result of religion based medical neglect It explores efforts to balance judicial protections for the religious liberty of faith healers

against the rights of children **Your Sons and Daughters Shall Prophecy** Ernest B. Gentile,1999-06-01 A thorough yet practical study that shows how the biblical gift of prophecy can build up today's churches and individual Christians

Encyclopedia of Religious Controversies in the United States Bill J. Leonard,Jill Y. Crainshaw,2012-12-05 This book provides a thorough introduction to historical and contemporary issues in American religion tackling controversial hot button topics such as abortion Intelligent Design and Scientology Surveying key aspects of the controversial issues persons and religious groups of today Encyclopedia of Religious Controversies in the United States Second Edition is a thorough update and expansion of the first edition of this book This two volume work contains many new entries that reflect current 21st century religious controversies Written by a variety of scholars with varying specializations the content covers major people ideas terms institutions groups books and events The A Z format allows for easy location of materials a chronology of developments and events enables readers to trace the development of contentious topics over time and a section of primary document excerpts gives readers further perspective on the issues

Come Out of Her My People (Vol. II) A History of The Message of William Branham Charles Paisley,2025-01-01 William Branham was an influential Pentecostal minister of the mid 20th century who began a cult following known as The Message This ground breaking book examines the history of The Message movement in the years after Branham's death Written by the former associate pastor of the second oldest Message church in the world this book explores The Message community and the spread of its ideology to nearly every nation in the world

God's Daughters R. Marie Griffith,2000-11-24 Vivid lucid and well written I came away with a better understanding of how the specific realities of being submissive wives are negotiated constructed challenged and transformed Lynn Davidman author of Tradition in a Rootless World Griffith's deft portrayal is a unique and important contribution to the study of Pentecostal spirituality and a compelling model for the retelling of women's religious experience in twentieth century American culture Margaret Bendroth author of Fundamentalism and Gender 1875 to Present
