group of men who rethought the Christian faith in light of their new experience of God Thinking in the Spirit aims to provide scholars and general readers who know little or nothing about Pentecostalism with an introduction to the ideas of the movement's most articulate early spokespersons and to provide Pentecostals with a non judgmental historical source to help them in their theological reflections Douglas Jacobsen focuses on the individuals who formed the original brain trust of this now gigantic religious movement In a 25 year burst of creative energy at the beginning of the 20th century these leaders articulated almost all the basic theological ideas that continue to define the Pentecostal message in the United States and The Reach That Restores Christ Love For The Broken Joshua Rhoades, 2024-10-22 The Reach That Restores Christ's Love for the Broken is an uplifting and inspiring book that explores how Jesus love can heal and restore those who feel lost or broken The central message of the book is that no matter how deep our pain mistakes or struggles may be Christ's love reaches us where we are and offers us a path to healing Through a mix of stories from the Bible and real life testimonies readers are shown how Christ's compassion extends to all people no matter their circumstances and how His love can restore even the most shattered lives One of the key themes in the book is that brokenness is something we all experience in one form or another Whether it s the result of personal failure loss guilt or deep disappointment we all carry wounds that need healing The Reach That Restores emphasizes that in these moments of brokenness Christ's love is not distant Instead Jesus draws near offering forgiveness hope and restoration The book uses powerful examples from the Bible to illustrate this point such as the story of Peter who denied Jesus three times but was later restored and given a purpose through Christ's love The story of the woman caught in adultery who was forgiven and freed from shame by Jesus is another reminder of the depth of Christ's mercy The book highlights that restoration is not just a one time event It's a process that unfolds over time as we continue to trust in Christ's work in our lives Even after coming to faith we still face struggles setbacks and challenges However The Reach That Restores reassures readers that Jesus is always walking with us guiding us through every trial and gently restoring our hearts The process of healing takes time but Christ's love is patient and ever present helping us grow stronger each day In addition to personal restoration The Reach That Restores calls on readers to be vessels of Christ's love to others Once we ve experienced His healing we are called to extend that same love and grace to those around us The book encourages readers to show compassion to others who are hurting sharing the message of hope and restoration through their own lives By doing so we become part of the work Christ is doing in the world spreading His love and helping others find healing The book is written in a way that is accessible to all readers using clear and simple language to explain deep spiritual truths Each chapter is designed to encourage reflection with thoughtful questions and prayers that help readers connect more deeply with their own experiences of brokenness and restoration Whether you are new to faith or have been following Jesus for many years The Reach That Restores offers insights that will resonate with anyone seeking a deeper understanding of God's love and grace Ultimately this book is about hope hope that no matter what

we have been through Jesus love is greater than our pain It is a reminder that in Christ we can find healing and peace His love is powerful enough to restore the most wounded hearts and turn brokenness into beauty The Reach That Restores Christ s Love for the Broken is a message of encouragement for anyone who feels burdened by life s hardships or weighed down by guilt It offers the comforting truth that Christ is always reaching out to us ready to restore renew and heal For those looking for healing peace or a renewed sense of purpose this book provides a clear path forward Through the love of Christ there is always hope and there is always restoration The Reach That Restores invites readers to trust in the healing power of Jesus to experience His grace and to discover the deep joy that comes from being fully restored by the One who loves us beyond T&T Clark Handbook of Theology and the Arts Stephen M. Garrett, Imogen Adkins, 2025-04-24 This volume measure presents the theology arts conversation from a distinctly Christian perspective as a witness of the Gospel of Christ to the world A widespread interest in the historical socio cultural and political embeddedness of theology and the arts permeates it This theme of embeddedness tracks through several overarching and interlocking concerns the relationship between form and content in both art and theology the intensification of the metaphysical and the theological contra materialist and positivist reductionisms the expansion of the epistemological possibilities of the theology art conversation and a robust understanding of the world as the theatre of God's glory Several chapters have been co written by theologians and artists as part of demonstrating the kind of conversation that this book commends A thorough going commitment to Scripture is also woven into the many different habits of thought represented in this volume Part I surveys different approaches to the theology arts conversation Part II focuses on how particular art forms bring theological issues to the surface and how theological and denominational traditions shape the making and receiving of the arts Part III delves into key topics in the current theology arts scene and asks how artistic and theological performance can both speak to theological and artistic knowing and help to celebrate and interrogate embodied lived reality God So Loved the World Fr. Robert Spitzer, SJ,2016 In this volume the brilliant Fr Spitzer probes in detail the major question that if an intelligent Creator God manifest in logical proofs scientific evidence and near death experiences who is the source of our desire for the sacred and the transcendental desires for truth love goodness and beauty would want to reveal himself to us personally and ultimately He then shows this is reasonable not only in light of our interior experience of a transcendent Reality but also that a completely intelligent Reality is completely positive implying its possession of a completely positive virtue namely love defined as agape This leads to the question whether God might be unconditionally loving and if he is whether he would want to make a personal appearance to us in a perfect act of empathy face to face After examining the rational evidence for this he reviews all world religions to see if there is one that reveals such a God an unconditionally loving God who would want to be with us in perfect empathy This leads us to the extraordinary claim of Jesus Christ who taught that God is Abba the unconditionally loving Father Jesus claims go further saying that He is also unconditional love and that his mission is to give us that love

through an act of complete self sacrifice He also claims to be the exclusive Son of the Father sent by God to save the world and the one who possesses divine power and authority The rest of the book does an in depth examination of the evidence for Jesus unconditional love of sinners his teachings his miracles and his rising from the dead As well as the evidence for Jesus gift of the Holy Spirit that enabled his disciples to perform miracles in his name and evidence for the presence of the Holy Spirit today If this strong evidence convinces us to believe that Jesus is our ultimate meaning and destiny and desire His saving presence in our lives that evidence should galvanize the Holy Spirit within us to show that Jesus is Lord and Savior the way the truth and the life And our faith in him will transform everything we think about our nature dignity and destiny and how we live endure suffering contend with evil and treat our neighbor **Seeing with the Eyes of the Heart** Elizabeth T. West, A new approach to introducing theology As God s self liberation communication to humans Jesus is the key to the human search for meaning argues Thomas West He therefore introduces the practice of theology through Christology From the question of personal meaning and self constitution and their relationship to transcendent meaning and value he proceeds to discuss the figure and import of Jesus and then the ethical imperative engendered through encounter with him Fresh and clear West's book is an invitation to grapple with one s religious commitments especially in light of recent insights in biblical studies and Continental feminist and liberation theologies This new text will prove an engaging and effective introduction to theological thinking for both undergraduates Encyclopedia of Christianity in the Global South Mark A. Lamport, 2018-06-01 Christianity has and Christian adults transformed many times in its 2 000 year history from its roots in the Middle East to its presence around the world today From the mid twentieth century onward the presence of Christianity has increased dramatically in Asia Africa and Latin America and the majority of the world's Christians are now nonwhite and non Western The Encyclopedia of Christianity in the Global South traces both the historical evolution and contemporary themes in Christianity in more than 150 countries and regions The volumes include maps images and a detailed timeline of key events The phrases Global Christianity and World Christianity are inadequate to convey the complexity of the countries and regions involved this encyclopedia with its more than 500 entries aims to offer rich perspectives on the varieties of Christianity where it is growing how the spread of Christianity shapes the faith in various regions and how the faith is changing worldwide **A Theology of Health** Tyler J. VanderWeele, 2024-09-15 While the health of the body can be defined by its functioning parts and systems the health of the person is more complex To flourish we need to understand health in the context of God's intent A Theology of Health presents a Christian understanding of the very concept of health both the health of the body and the health of the person Preeminent scholar Tyler J VanderWeele argues that health can be understood as wholeness as intended by God and that sin whether individual wrongdoing societal injustice or the fallenness of creation causes ill health VanderWeele explains that restoration and fulfillment of health is salvation pointed toward in the life of Jesus Christ to be lived out through the work of the Church and for which we await final completion VanderWeele also demonstrates the broader relevance and implications of his insights to all who seek to understand health well being and the ultimate ends of human life A Theology of Health is an

Three Sixteens Malinda Fugate, 2020-05-12 For God so loved the world Many of us could finish that sentence in our sleep John 3 16 is a beautiful Scripture that neatly and simply sums up the message of the Gospel But what do all the other 3 16s in the Bible have to tell us The words of the Bible weave a tapestry of love particularly the love that our Heavenly Father has for His children But a love so deep and so wide cannot be contained in one memorized phrase It takes multiple authors of sixty six individual books to begin to explore the mystery of God's care for us The Other Three Sixteens by Malinda Fugate examines each third chapter and sixteenth verse in the Bible and invites a fresh new perspective to help readers uncover surprises or remind them of forgotten truths of a faith that has become routine Through Genesis to Revelation we can soak in its depth wonder at its intricacies and be moved at how much the Lord truly does lavish upon us Together we discover God's love under the weight of Eve's sin in the garden It's there in front of Moses burning in a bush that is somehow not consumed God's love sits in the dark with Job rebuilds a wall with Nehemiah and encourages a young pastor named Timothy Together we will find a deeper understanding of the way our Heavenly Father cares for each of us today Discussion questions suitable for individual or group use included
