WHO AM I, GOD? Joanah E. Gana,2025-07-29 This book is about the identity of a believer in Christ An identity provides authentic information from the source and defines the person A believer s true identity comes from God through His Word It shows exactly who you are but just as you cannot get what belongs to you without having your identity so can you not claim what belongs to you in God without knowing what it is This book has made some effort to define a believer s identity in God through what God says it is in His Word the Bible and how to use it to the best advantage What He says you are is given to you as His authority to exercise and make you walk with confidence It is about how God sees you from His point of view When you find out what God says you are you will see what He is making you be where you can and be all you can be The book walks you through the Bible as God s manual of information to show your identity in Him and how best to use it **The Truth Seeker** ,1919 **The Christian Science Journal** ,1922 The Christian Science Journal ,2004 A New English Dictionary on Historical Principles James Augustus Henry Murray,Sir William Alexander Craigie,Charles Talbut Onions,1901

Recognize and Heal Yourself through the Power of the Spirit

Gabriele,2023-09-29 The human being is an energy field of the Spirit A weakening of this energy field through negative thinking and living leads to illness The right way of living and positive thinking on the other hand allows us to be healthy and remain spiritually active Find access to your soul and get to know the consciousness centers the switching point of the spiritual divine life force the link between soul and body Experience self healing via the power of the Spirit with various illnesses as well as the effects of different types of fragrances colors and sounds Who among us has no need for physical mental or spiritual healing This book provides an unimaginable help for the reader Whether it s spiritual healing for depression fatigue or apathy or relief for tension and physical pain Or perhaps we simply need a bit of spiritual therapy guidance for a stronger physical and mental health in God The answer to problems of physical and mental health lies in God within us each person A person s world of thoughts revolves mainly around his own concerns Thus he thinks about what he could treat himself with externally what food what herb or medicine might keep his body flexible fresh and healthy This way of thinking already contributes to the reduction of the spiritual ether powers that could give him all he needs for his physical and mental health and healing God the eternally existing ether power in soul and person could be his provider and healer a true spiritual therapy for soul and body Through negative that is impure thoughts and human conceptions the will to do good in us slackens This reduces the divine will power and as a result the soul does not find its way to God But with a life tuned evermore to God in us we can activate the self healing forces for a profound healing mental physical and spiritual
