The background of the cover is a photograph of a modern interior. In the foreground, a wooden dining table with a metal top and a distinctive X-shaped metal base is partially visible. On the table, there are some papers and a small object. In the background, a large abstract painting with dark, textured brushstrokes and a central white rectangular area is mounted on a light-colored wall. To the left, an open doorway leads to another room with a wooden cabinet and a chair, and a glimpse of greenery outside.

is a powerful way to design the life you're meant to live. In these pages Grace takes you on a journey to design your living spaces using the classic Bagua map, a chart separating physical spaces into nine areas, each representing a different aspect of life such as wealth, family, and career. But perhaps more importantly, she goes one step further, teaching you the inner work of feng shui using her own Inner Wisdom Bagua map, which correlates the characteristics, beliefs, and attitudes that will help you flourish in each area of your life. Sharing anecdotes from her own experience, switching careers from an ESPN executive to a feng shui consultant, as well as her clients' success stories, Grace walks you through each area of the standard and Inner Wisdom Bagua maps to create unique solutions for your life. She teaches you to harness the power of your intuition to determine what's true and important for you. And she offers practical tools based on concepts such as Yin and Yang, the Five Elements, and the Magical Day to help you figure out which enhancements will be the most effective in transforming your life. By celebrating key principles like universal gratitude, a positive outlook, and living in the present moment, she shows you how to manage life on a day-to-day basis and points you toward your life's true purpose. *Feng Shui Made Easy* Davina MacKail, 2018-09-25
