The Balaam Traditions Their Character And Development:

The Balaam Traditions Michael S. Moore,1990 **The Enoch-Metatron Tradition** Andrei A. Orlov,2005 Andrei A Orlov examines the tradition about the seventh antediluvian patriarch Enoch tracing its development from its roots in the Mesopotamian lore to the Second Temple apocalyptic texts and later rabbinic and Hekhalot materials where Enoch is often identified as the supreme angel Metatron The first part of the book explores the imagery of the celestial roles and titles of the seventh antediluvian hero in Mesopotamian Enochic and Hekhalot materials The analysis of the celestial roles and titles shows that the transition from the figure of patriarch Enoch to the figure of angel Metatron occurred already in the Second Temple Enochic materials namely in 2 Slavonic Enoch a Jewish work traditionally dated to the first century CE The second part of the book demonstrates that mediatorial polemics with the traditions of the exalted patriarchs and prophets played an important role in facilitating the transition from Enoch to Metatron in the Second Temple period **Encyclopedia of Jewish Folklore and Traditions** Raphael Patai,2015-03-26 This multicultural reference work on Jewish folklore legends customs and other elements of folklife is the first of its kind **Images of Egypt in Early Biblical Literature** Stephen C. Russell,2009 This book suggests a regional paradigm for understanding the development of the traditions about Egypt and the exodus in the Hebrew Bible It offers fresh readings of the golden calf stories in 1 Kgs 12 25 33 and Exod 32 the Balaam oracles in Num 22 24 and the Song of the Sea in Exod 15 1b 18 and from these paints a picture of the differing traditions about Egypt that circulated in Cisjordan Israel Transjordan Israel and Judah in the 8th century B C E and earlier In the north an exodus from Egypt was celebrated in the Bethel calf cult as a journey of Israelites from Egypt to Cisjordan without a detour eastward to Sinai This exodus was envisioned in military terms as suggested by the nature of the polemic in Exod 32 and the attribution of the exodus to the warrior Yahweh Israel s own deity In the east a tradition of deliverance from Egypt was celebrated rather than the idea of a journey and it was credited to El In the south Egypt was recognized as a major enemy whom Yahweh had defeated but the traditions there were not formulated in terms of an exodus While acknowledging the reshaping of these traditions in response to the exile Images of Egypt argues that they originated in the pre exilic period and relate to Syro Palestinian history as it is otherwise known **Mission after Pentecost (Mission in Global Community)** Amos Yong,2019-10-15 Bringing Pentecostal theology into the Bible and mission conversation Amos Yong identifies the role of the divine spirit in God s mission to redeem the world As he works through the Bible from Genesis to Revelation Yong emphasizes the global missiological imperative People of all nations reaching out to people of all nations Sidebars include voices from around the globe who help the author put the biblical text into conversation with twenty first century questions offering the church a fresh understanding of its mission and how to pursue it in the decades to come *Melchizedek Passages in the Bible* Chan Alan KamYau,2016-04-06 Melchizedek is a mysterious figure to many people Adopting discourse analysis and text linguistic approaches Chan attempts to tackle the Melchizedek texts in Genesis 14

Psalm 110 and Hebrews 5:7 This seminal study illustrates how the mysterious figure is understood and interpreted by later biblical writers Using the blessing motif as a framework Chan also argues that Numbers 22:24-2 Samuel 7 and the Psalter Books I-V especially Psalms 1-2 provide a reading paradigm of interpreting Psalm 110 In addition the structure of Hebrews provides a clue to how the author interprets the Old Testament texts [Magic and Ritual in the Ancient World](#) Paul Allan Mirecki, Marvin W. Meyer, 2002 This volume contains a series of provocative essays that explore expressions of magic and ritual power in the ancient world The strength of the present volume lies in the breadth of scholarly approaches represented The book begins with several papyrological studies presenting important new texts in Greek and Coptic continuing with essays focussing on taxonomy and definition The concluding essays apply contemporary theories to analyses of specific test cases in a broad variety of ancient Mediterranean cultures Paul Mirecki Th D 1986 in Religious Studies Harvard Divinity School is Associate Professor of Religious Studies at the University of Kansas Marvin Meyer Ph D 1979 in Religion Claremont Graduate School is Professor of Religion at Chapman University Orange California and Director of the Coptic Magical Texts Project of the Institute for Antiquity and Christianity *The Catholic Biblical Quarterly*, 2008 Includes various reports of the Association [Friars, Scribes, and Corpses](#) Kimberly J. Vrudny, 2010 The Speculum humanae salvationis Mirror of Human Salvation a medieval book recounting in forty-five chapters the story of human redemption within the larger context of the Virgin Mary's life was something of a best seller in the Middle Ages surviving in over 400 copies Because the author wrote anonymously however little about the book's initial context is known despite a century's long effort to uncover the author's identity Friars Scribes and Corpses investigates a Marian confraternal setting for the Speculum's emergence and newly proposes consideration of Nicola da Milano as the poem's author Its central chapters show how the scribes who copied the Speculum preserved the author's rhetorical considerations that served so well the purposes of Marian confraternal preaching including elements that suit memory training techniques used in the Middle Ages such as building an architectural structure in one's mind tagging memories with emotion and internalizing the transformative nature of spiritual lessons The final chapter asserts that the poem's lessons would have been particularly desired in the context of plague when the number of corpses threatened to destroy people's faith in a merciful God Friars Scribes and Corpses challenges assumptions about the Speculum as well as the dominantly held view that there was an overwhelming emphasis on death in the late medieval period Rather this book demonstrates that there was a competing emphasis on life as glimpsed in the glass of the Speculum

Barr,1998 This provocative new book invites us to forget all we have heard about the meaning of the Book of Revelation Instead David Barr shows us ways to give this familiar text a fresh new reading If we can think of the right questions to ask the text and listen without prejudice there are new things we can learn The questions David Barr asks the Book of Revelation are about stories how they are told whom they are about what they consist of where they go His commentary written with little technical vocabulary provides the knowledge and detail needed to make a fresh reading of the story ourselves □□□ 2002, □□□□□□□□ □□□□□□ □□□□□□
