FROM THE BOOK The sun descends and the moon rises giving the only light that illuminates the darkness Wind blows silently as if it is trying to tell me a secret Our steps are quiet we move like the wind walking along the forest floor as we make our way to the hole I crawled out of just a few months ago We whip past the trees rocks and grass like we are floating in the air The animals in the forest are neither seen nor heard They are hiding but I know they are out there I can hear the steady pace of their hearts and the blood flowing in their veins We make it to our destination No words spoken no sentiments given There is just quiet contemplation and preparation churning in our minds I look at Jade and she nods She quickly turns and climbs the tall tree near me looking like a spider silently climbing up a wall I turn my attention away from Jade She is now invisible to me I will neither give away nor tell her whereabouts She is a secret one that I will pretend not to know I look around through the darkness of night taking my place waiting for this game to begin My stance is confident My mind is calm I survey my surroundings like a predator who feels threatened bracing for an attack My eyes land on remnants of the trash bag that once held me inside I laugh Nate will have to do better this time if he wants to get rid of me Nate is going to come into the forest confident and cocky He doesn't realize that the girl he is coming to kill isn't the same one he had attempted to kill before
