The Guide To Real Village Cricket:

The Guide to Real Village Cricket Robert Holles,1983 **Different Class** Duncan Stone,2022-01-11 Shortlisted for the Cricket Writers Club Book of the Year 2022 and the Sunday Times Sports Book Awards Cricket Book of the Year 2023 In telling the story of cricket from the bottom up *Different Class* demonstrates how the quintessentially English game has done more to divide rather than unite the English In 1963 the West Indian Marxist C L R James posed the deceptively benign question What do they know of cricket who only cricket know A challenge to the public to re consider cricket and its meaning by placing the game in its true social political and economic context James was all too subtly attempting to counter the game's orthodox history that he argued had played a key role in the formation of national culture As a consequence he failed and the history of cricket in England has retained the same stresses and lineaments as it did a century ago until now In examining recreational rather than professional first class cricket *Different Class* does not simply challenge the widely accepted orthodoxy of English cricket it demonstrates how the values and belief systems at its heart were under the guise of amateurism intentionally developed in order to divide the English along class lines at every level of the game If the creation of opposing class based cricket cultures in the North and South of England grew out of this process the institutional structures developed by those in charge of English cricket continue to discriminate But as much as the exclusion of Black and South Asian cricketers from the recreational mainstream is the most obvious example it is social class that remains the greatest barrier to participation in what used to be the national game *Dictionary of Twentieth-Century British Cartoonists and Caricaturists* Mark Bryant,2022-07-08 British cartoonists and caricaturists are renowned worldwide Originally published in 2000 this indispensable handbook offers a unique who's who of all the major artists working in Britain in the twentieth century and contains nearly 500 entries Extensively illustrated the book provides information on the work of artists such as Steve Bell Gerald Scarfe Posy Simmonds Ronald Searle Trog mac and Larry as well as such past masters as David Low Vicky H M Bateman Illingworth Heath Robinson and more The dictionary concentrates primarily on political cartoonists caricaturists and joke or gag cartoonists actively working for the main Fleet Street national dailies and weeklies from 1900 to 1995 Each entry is cross referenced and provides a concise biographical outline with an account of the artist's style influences and preferred medium Where relevant the entry includes suggestions for further reading and notes solo exhibitions books illustrated and works held in public collections The *Dictionary of Twentieth Century British Cartoonists and Caricaturists* offers an insight into the lives of satirical artists working during a century that provoked cartoonists and caricaturists to a pitch of comic and artistic invention that has rarely been matched *The Wisden Book of Cricket* Quotations David Lemmon,1990 *Before You Go to Great Britain* James Wilson Brown,Shirley N.
